Edmunds Home Improvements

Specializes in roofing, siding and windows

With the final arrival of spring, you may be considering a number of home improvements.

This winter, with its extended freeze and heavy ice build-ups, many eavestroughs were damaged. Edmunds offers 5 and 6 inch continuous eavestroughs, reinforced with screw-in hangers and combined with large diameter down pipe. Ask about our new leaf-screen product -- which actually works.

Edmunds also installs matching aluminum fascia and heavy gauge soffits, (designed to keep out the birds and squirrels), as well as vinyl siding in a wide variety of new colours and profiles.

If it is time to replace your roof, consider a textured architectural shingle. This is one of our most rapidly growing product lines, largely because it is one of the least expensive ways of increasing the curb appeal and value of your home.

If you were unhappy with last winter's heating bills, new vinyl windows may provide a practical, as well as aesthetically pleasing solution. Insulated steel doors or a new vinyl patio door may also be an answer to those cold evening drafts.

Did you know that patio doors are now available with interior retractable blinds? This is a great option where privacy or too much direct sunshine are concerns.

You can view and operate many of these products at Edmunds showroom, located at 166 Bullock Drive, Unit 1, in Markham. Or, if you prefer, a qualified salesperson will be glad to come to your home to provide a free estimate.

For further details, or a free estimate on any of your roofing, window or siding needs, contact:
Steve or Kathryn Gibson at (905) 472-0276
 or visit our showroom at
166 Bullock Drive, Unit 1, Markham

THE SANDWICH STATION...

... would like to thank Brother Andre CHS students and graduates for their support over the past 8 years. For those unfamiliar with us, if you're looking for healthy sandwiches for breakfast, lunch or dinner, in a comfortable environment, you can stop looking. The past few months, The Sandwich Station has undergone significant renovations to not only the restaurant ambience, but also to our newly refined menu. Our fresh new bistro look is the perfect environment to enjoy a classic submarine sandwich, or our signature grilled chicken in a pita. You can tantalize your taste buds with our extra lean grilled steak cooked fresh before you. For those with a vegetarian appetite, we offer the best falafel sandwich Markham has to offer. For any of our sandwiches you have the choice of having it served on a fresh submarine style bun, Italian style bun, or a bakery style Pita loaf.

Would you like fries with that?

To compliment our main dishes, we also offer a wide variety of side dishes including: French fries, onion rings, poutine, chicken fingers and even freshly in-house baked pizza. Don't forget about our delicious house salads! You have your choice of a garden, Greek, or even a Mediterranean Tabouleh salad.

We Cater!

Along with our in-house menu, the Sandwich Station is also proud to offer our customers a catering alternative. Whether for a business or party function, the Sandwich Station is prepared to cater to any volume, with our over 15 years professional experience!

Whether eating in, taking out, or catering a function, the Sandwich Station is proud to provide you with our services.

You can contact us via phone, internet and visiting us at our convenient location. We look forward to seeing you in the future! We guarantee that with one bite, you will be hooked!
