**The Regional Municipality of York  
NOTICE OF FILING OF  
Addendum to the Class Environmental Assessment  
Water Supply for  
Community of Bloomington,  
Town of Whitchurch-Stouffville**

The Regional Municipality of York completed a Class Environmental Assessment (Class EA) Phases 1 & 2 Report on a water supply for the Community of Bloomington Town of Whitchurch-Stouffville in May 1998. The Class EA report recommended alternative was to construct a 1300 m watermain between the Community of Bloomington and the existing Ballantrae-Musselman Lake Water Supply. The existing Ballantrae-Musselman Lake elevated tank would supply storage for both systems.

As this Class Environmental assessment has a expiry date of five years, the Region of York is now required to undertake an addendum to the Class EA to determine if there have been any changes that could affect this recommendation.

By this notice of Addendum, you are advised of the commencement of this project in accordance with the requirements of the Municipal Class Environmental Assessment. Subject to comments received as a result of this notice, a review of the alternative solutions noted in the original Class EA Report and the possibility of additional solutions being available, the Region of York intends to re-file this Class EA Report.

To obtain further information regarding this project or to submit comments, please contact the Region or the consultant undertaking the study.

The original report is available for public review at the offices of the Regional Transportation and Works Department, the Town of Whitchurch-Stouffville Clerk's office and the Whitchurch-Stouffville Public Library. Interested persons should provide written comments to the Regional Municipality of York or Simcoe Engineering Group Limited, consultants for the project, as follows:

Mr. Steve Kyle, C.E.T. Project Coordinator The Regional Municipality of York Infrastructure Design and Construction Branch Transportation and Works Dept. 17250 Yonge Street Newmarket, Ontario L3Y 6Z1 Tel: (905) 895-1200, ext. 3036 Fax: (905) 836-4590	Mr. Greg Baker Project Manager Simcoe Engineering Group Limited 1815 Ironstone Manor Suite 10 Pickering, Ontario L1W 3W9 Tel: (905) 831-1715 Fax: (905) 831-0531
