CATCH UP, KEEP UP or GET AHEAD

Doctors recommend children exercise daily in order to promote their healthy growth & development.

At Kumon, in as little as 20 minutes a day, your children can exercise their brains to build a strong foundation in math and reading. With the year-round Kumon program, your children can also gain confidence and learn disciplined study skills that will last a lifetime.

Lance Brown tourney benefits safety village

Golfers are being sought to enjoy a day on the greens while making life safer for York Region's children.

They'll be part of Lance Brown's Big Buckaroo Shotgun Shootout at the Cardinal Golf Club in Kettleby Monday, June 16. The CFTO-TV sports reporter will donate the proceeds from his tournament this year to the Community Safety Village of York Region.

The village is to open at Bruce's Mill in Whitchurch-Stouffville this fall. York Region children will manoeuvre through the village's kid-sized buildings to practise traffic and fire safety. Construction costs are estimated at \$2.6 million.

Registration deadline for the tournament is Friday, May 30. The cost is \$175 per person or \$50 for dinner only. Registration forms and more information are available from Steve Hinder at (fax) 905-727-2907.
