

# Union Villa needs your help.

**WE NEED YOUR HELP** to ensure that those in our community who need long term care will always have a home close to home.

**THE UNIONVILLE HOME SOCIETY** has a proud history of meeting the challenges of seniors head on. For over 30 years, we have provided a continuum of quality care at our unique 18-acre campus in the heart of Unionville. We may be home to your parents, your neighbours, your friends. In years to come, we may be there for you or your spouse.

**NOW WE MUST REBUILD** to keep up with the changing needs of seniors in our community. On May 30, the Unionville Home Society Foundation broke ground for construction of the new *Union Villa*. A state-of-the-art long term care facility, with accommodation for 160 residents, improved wheelchair access, updated facilities and a comprehensive Alzheimers wing, the new *Union Villa* will be designed to provide optimum care in comfortable surroundings.

**WE NEED YOUR HELP** to make it happen.

**WE'VE LAUNCHED** our Brick by Brick fundraising campaign to raise a total of 6 million dollars to complete the project.

**PLEASE CONTRIBUTE GENEROUSLY** to build this home, close to home, brick by brick.
