## Storm take second in Kingston tourney

The Stouffville Storm squirt boys advanced to the championship final in a recent softball tournament at Kingston only to come out on the short end of a 7-6 verdict against Napanee.

The Storm advanced to the gold medal game of the one-day event after posting victories over Kingston 8-0, Belleville 7-1 and Orleans 9-3. Igniting the Storm to the final were

the hot bats of Derek Eickmeier and Bruce Gringan.

Propelling the club's defensive efforts were outfielders Philip Wood and Travis Connor and shortstop Kohl McVicar.

Prior to the tournament, the Storm had two league games last week and came out on top in each over the Newmarket Seniors 15-1 and Oshawa 24-1.

## Macri finishes fourth in Milwaukee Mile

Jonathan Macri steered his NTN Bearings Toyota Swift vehicle to a fourth-place finish in last Saturday's Milwaukee Mile event of the GART Toyota Atlantic series in West Allis,

Wisconsin.

Although missing the victory podium, the 21-year-old Gormley resident holds down second place in the championship point standings with 42

through three events, two behind leader A.J. Allmendinger.

The next race for Macri is on June 14 in Laguna Seca, California.

## Correction

In a sports article printed in the *Stouffville Sun-Tribune* on May 31, it was reported that Michael Pickering was going to

attend Graceland University in New Albany, Indiana this fall on a golf scholarship. In fact, he will be attending

Graceland College in Lamoni, Iowa. The *Sun-Tribune* regrets the error.

The Georgina Community Health Care Council has a unique and challenging opportunity for a **Manager of Operations** in a newly established health care facility, located in Sutton, about 20 minutes north of Newmarket.

The Manager of Operations will coordinate set-up of the clinic through the coordination and purchase of all office furnishings, fixtures and supplies, including information technology to meet the current and future needs of the clinic. Reporting to a Board of Directors, the Manager of Operations will be the key resource for communicating with health care professionals, patients and community. Your responsibility includes scheduling and booking appointments, coordinating and inputting OHIP billings and other administrative/general functions related to the day to day activities of a community health facility/office. You will be responsible for the hiring and supervision of support staff.

To apply for this exciting position you must be a motivated, self-starter with exceptional communication/leadership skills and possess a minimum of five years experience in a fee for service health/medical facility, coupled with formal training in Business Management Studies OR an equivalent combination of education, training and experience. You must have proven word processing/spreadsheet and database management skills, along with the ability to multi-task, work under pressure, take initiative and prioritize workload.

Qualified candidates are invited to submit a detailed resume by fax or email, no later than Friday, June 13, 2003, to [gchcc@georgina.ca](mailto:gchcc@georgina.ca) or fax 905-476-1957.

We thank all applicants and advise that only those candidates selected for an interview will be contacted.
