

# Pond under watch

From page 1.

ilar behavior at the reservoir or at other ponds and lakes within the municipality.

### SWAN SAFETY

Keith Saunders, Whitchurch-Stouffville's senior bylaw enforcement officer, pointed out two weeks ago, four trumpeter swans were

released at the reservoir.

Now, there's a concern about the safety of their safety. "We'll be keeping a watch out," said Mr. Saunders.

The four adults, described as Asians, fled in a silver Toyota Corolla.

Anyone with information linked to this type of incident is asked to call the town at 905-640-1910, ext. 293 or 254.
