Sandy's Auto Service will help you enjoy safe, cool, dependable driving this summer

Sandy's Auto Service realizes that your automobile expense is most often the second largest yearly outlay of capital other than your home. That's why it is committed to providing the highest level of automotive service in a relaxed, trusting atmosphere. "We are not your average garage or mechanic," says Sandy, an ASE (Automotive Service Excellence) Certified Technician who is affectionately known as The Doctor.

Sandy knows that striving for automotive excellence requires a sincere passion and commitment. "Our passion is automobiles and our commitment is to our customers and friends," he says.

Sandy's Auto Service offers the highest calibre service on your automobile. Guaranteed workmanship and warranties are above and beyond most. Fair pricing and the use of high quality parts are the normal business practices. Fully licensed and updated in all fields (computers, anti-lock systems and diagnostics), the certified technicians at Sandy's use the latest high tech diagnostic equipment to repair your vehicle.

Sandy's Auto Service is Markham's first accredited Drive Clean emission test and repair facility. All tests are by appointment for your convenience, and you can be in and out in 20-30 minutes. It is also an Ontario Motor Vehicle Inspection station and can certify vehicles on site.

At Sandy's Auto Service, the man you speak to about repairs is the man who performs the repairs. "I'll tell you whether your vehicle does or doesn't need fixing, or if you need to take it to a dealership for warranty work," says Sandy, a 39-year veteran in the automotive business.

Sandy always takes the time to explain any repairs or maintenance work that is being performed and is happy to answer any

questions. Sandy also shows customers any defective parts and explains why they need to be replaced. Customers appreciate this personalized service and attention to detail which has earned the company a loyal clientele over the years.

"I'll ask you before I go ahead with any work," he says. Honesty, fairness and respect for the customer is the foundation of our business."

Sandy's Auto Service also offers a free service car for major repairs. (Service vehicle by appointment). Most estimates for mechanical repairs are "no charge."

If you want to stay cool behind the wheel this summer, Sandy's Auto Service is offering a special Air Conditioning Service for only \$59.95, which includes a complete purge and recharge (parts extra).
