### The Essentials in Cosmetic Enhancements

Discover the benefits of advanced skin care, laser vein and hair removal performed in the professional and sensitive atmosphere of the Sherlase Clinic. Located in the heart of historic Markham, Sherlase specializes in highly effective procedures that enhance the body without surgery. Sherlase offers alternative therapy for people who want to get serious about their skin. Our personalized procedures include advanced laser therapy and non-surgical solutions for hair and vein removal. We offer a series of treatments for a more youthful look on all skin types and complexion tones. These include Botox, Collagen and Restylane injections; treatments to even out skin tone, minimize acne, reduce unwanted pigmentation and eliminate Rosacea and cherry angiomas (red facial blotches).

Our goal is to educate you on your skin care options and provide honest opinions and safe effective treatments. Our highly trained professional technicians work as a team to ensure you receive the individual attention you deserve.
