HLV Marketing: Vanguard of the Satellite TV Revolution

A revolution in television is upon us: the satellite revolution.

An estimated one million Canadian households have tuned in to satellite television.

HLV Marketing, which operates its satellite business as CanadianDSS.com and Satgroup.ca, has been in the entertainment industry for eight years in Markham.

They are a full-service satellite, shop, selling and servicing DirecTV and DishNetwork (Echostar).

With DirecTV, a one-time purchase with no monthly fees, customers get free access to Unlimited Sports (NFL, NHL, MLB, NBA, NCAA, soccer and more), Pay Per-View movies and events, adult movies, and approximately four-hundred channels (including game shows, soap operas, talk shows, news broadcasts, and educational entertainment). All in digital quality, 24-hours a day, 7-days a week.

DishNetwork offers the same programming as DirecTV, but in addition provides programming in several languages including Arabic, Greek, Hindi, Italian, Polish, Portuguese, Russian, Spanish, Korean, Tamil, and more. This is a great service to the increasingly multicultural population of the GTA.

Systems for both DirecTV and DishNetwork start at \$299.99.

They offer a great alternative to Canadian satellite or cable companies. The selection of programming is far greater and the costs to maintain the

system are minimal. Similar programming through conventional services would run over one hundred dollars per month.

CanadianDSS.com offers full programming support (onsite and via email), as well as receiver repairs. They also carry a full-line of accessories, including cards, dishes, LNBS, programmers, satellite finders, dish covers, remotes, digital locks, cables, and installation kits.

Look around your neighborhood and see how many of your neighbour's homes are sporting DirecTV and DishNetwork dishes. Don't be left out of the revolution. You too can enjoy the new world of television viewing.

(Warden and 14th Avenue),

Their friendly, knowledgeable staff will be more than happy to assist you. You're also encouraged to visit them and shop online at CanadianDSS.com.
