K9's in Kahoots

Darlene Johnson, owner of K9's in Kahoots celebrates their one year anniversary this summer! Her unique business offers Doggie Daycare where your dog can play all day in the fenced yard; take a dip in the puppy pool and take a much needed nap in the air conditioned play room.

The day care is supervised by a staff of professional dog trainers 100% of the time. By night, obedience training is taught by Joanne Whitely, lead trainer of K9's in Kahoots. Joanne is one of 400 trainers in North America professionally certified. The training team is committed to focusing on the needs of our customers as our classes have been tailored to concentrate on the common issues that arise with your new family member. For those of you who have finished obedience or have an adult dog, we offer agility classes which is a great way for you and your dog to get off the couch and back in shape. It's lots of fun, great exercise, and great bonding time for you and your K9. Our goal at K9's in Kahoots is to make your good puppy into a great dog.

K9's in Kahoots is open from 7 a.m. to 7 p.m. Monday to Friday, and is located at 6389 Main Street. Call 905-642-8289
