We are a *World Class Tier 1* supplier to the automotive industry. Located in Richmond Hill, we manufacture metal stampings and welded/non-welded assemblies in a state-of-the-art facility. Due to increased business, we require the following skilled professionals to join our team:

PRODUCTION OPERATORS

In a team-oriented environment, you will be required to operate various types of production machinery and tools used to assemble product for our customers. You will ensure that products manufactured conform to strict company and customer quality requirements. You will be expected to record production data, identify potential quality concerns and work to production standards.

The successful candidate will have previous experience in a busy manufacturing environment; be a grade 12 graduate; have excellent problem-solving skills; be team-oriented and able to work any shift.

We offer challenging opportunities for growth and development, in addition to a competitive benefits and compensation package. If you are team-oriented and want to be a part of a dynamic and progressive organization, please submit your resume in confidence to:
