

## DOREEN'S OLD-FASHIONED MAC AND CHEESE

This is perfect for those evenings when your family is busy and hungry, yet want a wholesome, home-cooked meal. Macaroni and Cheese, a perennial favourite, with everyone, is one of our hottest selling dinners. We use extra-old cheddar (the older the better), elbows and buttered crumbs. All you need to do is pop it in the oven for about an hour. The kids will love it — and you will too!

## PRIME RIB SANDWICHES

These are our most popular lunchtime hot sandwich. It's our prime rib, oven-roasted, piled a 1/4 lb. high with either horseradish or gravy (or both) on the bun of your choice. They'll be the lunch feature today, Friday and Saturday!

## SINGAPORE NOODLES

This is a noodle salad which has a great combination of Malaysian flavours. You serve it at room temperature, or slightly warmed. It's excellent as a salad or a side-dish for pork, fish or chicken.

## NIAGARA PEACHES

We get these through my friend Doug Dineley who operates a couple of great produce markets in Niagara-On-The-Lake and St. Catharines. They're from Bob Hunter's Farm who, according to Doug, is the biggest and best peach grower in Niagara! The variety is Harrow Diamond which is a variety unique to the Niagara area. It's semi-free stone and a very good eating early peach. Available in 3 L baskets.

## TOMATO BASIL SOUP!

We make this soup using, you guessed it! fresh tomatoes and fresh basil, the base being chicken stock. In fact, I invite you to read the full ingredient list — all good stuff!

One further point, this can be served either hot or chilled, as your mood dictates.

## NEW LITTLE POTATOES

One of my personal thrills is when these new little potatoes are in season. These sweet little nuggets of goodness are just great boiled and served with either butter or our tzatziki.

## CARLI EXTRA VIRGIN OLIVE OIL

Olive Oils are like wines. So many factors affect the quality and characteristics of the finished product. Everything from the soil, the weather, the harvesting technique to the storage and handling all have an effect on an olive oil's flavour profile. We stock a selection of give or take 20 varieties of olive oil, starting with the most plentiful and least expensive (Bertolli) to some very rare and incredible types.

Carli Oil is certainly one of the better oils we sell — and being extra-virgin (meaning 'Fresh Press') it's best used where it will be eaten raw — salad dressings or seasonings.

You'll like the deeper flavour of this oil — and you'll like the sharp prices this week. It's 25% off our regular price of \$10.95 for the 500 ml size.

## WHAT'S BAKING THIS WEEK!

Every year we buy all the Saskatoon berries from a particular farm in Niagara — and they're now available. We'll be making:

- SASKATOON BERRY SCONES** — with a hint of lemon... **1.29 ea.**
- SASKATOON BERRY FILLS** — these will be our 9" size. You'll love the flavour of these berries. The first impression is a cross between a black currant and a wild blueberry — but it finishes with a surprising almond flavour — really very nice!... **9.95 ea.**
- SASKATOON CUSTARD CAKES** — these are the divine cakes with the baked-in custard. A great coffee cake for today or tomorrow — it seems to improve with age!... **13.95 & 18.95 ea.**
- SASKATOON & LIME CHEESECAKES** — I haven't tried one of these yet, but if the flavour is anything like the keylime pie that was just dropped (and needed a home) they will be amazing!... **12.95 & 20.95 ea.**
- LEMON LOAF WITH SASKATOONS** — this will be the non-iced variety — well-spotted with these perfect little berries... **4.50 ea.**

AND LIKE MOST WEEKS ALL OF THESE ITEMS WILL BE **1/3 OFF THIS WEEK!**

## BONELESS SIRLOIN STEAKS

These are either Grade AAA or Canada Prime. Sirloin is not the most tender cut, but it certainly has a following — especially for the flavour. There's not an endless supply, so when they're gone, they're gone! Reg. \$7.99

## HONEY DEWS

Sorry that we ran out of these last week. We'll have them again this week for the same deal.
