really plain. The new style is funky and adventurous.

After the hair department was completed, Cynthia Phyzentzou, Sarum Room's makeup artist, used Cargo Cosmetics to enhance Rachel's natural beauty.

Cynthia used a loose powder to even the skin tone, and mattify the skin.

Next, she enhanced Rachel's blue eyes by using a peach shimmer all over her eyelids, gold and a shimmery grey in the crease area, and finished the eyes with a green mascara on the lashes to enhance the eye colour. Cynthia then finished the cheeks with a pale pink and topped the lips with a peach lipstick, and

added a pale peach lip gloss to complete Rachel's new, exciting look.

Rachel said she's receiving plenty of compliments towards her new look.

"Everyone said good things. Normally I only do subtle things, and no one notices. But everyone saw this, and they all loved it."

The Sarum Room now offers hair extensions done with real hair, available in any colour, and are completely non-damaging. The Sarum Salon also carries Cargo Cosmetics and Aveda Hair Care.

The Sarum Room is located at 209 Main Street, in Unionville. Call 905-415-0377 for more information, or to book an appointment today!
