 Commercial St.  
 Stouffville

**"The Best Foundation  
 A Child Can Have"**

...and your child's experience in dance should be a joyful one. It should be a time when your child is learning while developing poise, skill and self-esteem. It should be a time when your child is learning to be a professional dancer, a community member and a leader. It should be a time when your child is learning to be a professional dancer, a community member and a leader.
