

# SMOKED HAM HOCKS

As promised, we'll have quantities of our beautiful Smoked Hocks this week. Anyone who follows our ads will know that we promote these around holidays. That's because we make an especially large number of hams for special occasions like Thanksgiving and Christmas. For every ham, there's a hock!

You'll need one of these to make Robert's Pea Soup (he's our Store Manager). Although it's great used for that, it's equally good simmered in sauerkraut or boiled and served with mustard. However you use it, you'll love it because it's very meaty, low in salt and it's slowly smoked so that it has the flavour that soup and hock lovers truly love!

# PAULA RED APPLES

These are large-size new crop apples from Niagara. They are McIntosh-like in colour, size and actual taste, but they're not Macs. They are good!

# OUR DELI ROAST BEEF

Next to our assortment of hams, this is our best-selling deli meat. The reason is: (a) we cook it pink, (b) we use the centre cut of an inside round rump roast and (c) we trim it lean. Although most use it for sandwiches, try it at room temperature with some good olive oil and balsamic vinegar.

# CREAM OF CARROT SOUP

This is one of, if not the best-selling soups we make. We start by making our own chicken stock, use local carrots (while they're available) which are nice and sweet, we use cream and it's spiced just right.

How did our Village Grocer Farm Teams do?

We actually sponsor two teams. Our Coach Pitch team didn't do so well for the year but they had a lot of fun while our Pee Wee team won the whole thing. Congratulations to all!

This is a popular item from our kitchen. We make them from scratch (even the crust) daily Wednesday through Sunday. We use real cream, Swiss Cheese and yep, we even crack the eggs. I always equate chili with watching football games. I guess cause they're both cooler weather events. You'll need some of this if there's football on TV — and I know that we're into the CFL & NFL overlap.
