**The Home Depot
supports Habitat for
Humanity Canada**

Habitat for Humanity is an independent non-profit housing program dedicated to the elimination of substandard housing in Canada. Habitat builds homes in partnership with families in need. Habitat for Humanity is proud of the partnership with The Home Depot and its vendors. The Home Depot is instrumental in providing funds, volunteers and enthusiasm for build projects across the country. In addition, The Home Depot has set up a unique program with Habitat for Humanity ReStores in which items returned to Home Depot stores are donated to a local ReStore. Team Depot volunteers in their orange shirts are a familiar sight working alongside the families and other volunteers on Habitat for Humanity projects.
