ASHGROVE SPA OFFERS THE LATEST TECHNOLOGY IN LASER HAIR REMOVAL & SKIN TREATMENTS

Markham's day spa is celebrating its 5th anniversary next month. Ashgrove Spa has extended its selection of manicures, pedicures and facials, as well as body care, massage therapy, and permanent makeup treatments to serve its clients better. The Spa recently purchased a Palomar Este Lux Pulsed Light System to provide the latest technology in all laser hair-removal and skin therapy treatments. Offering the latest technology to its customers is an example of Ashgrove Spa's commitment to providing the absolute best service in its field.

"We are able to treat light hair or darker coloured skin for hair removal and fade sun damaged or age related pigmented lesions with quick and easy treatments," explained Marika Pelyvas, owner of Ashgrove Spa. "With the photofacial technique we are able to remove vascular lesions, improve facial skin tone and texture, and improve Rosacea condition with only a single treatment."

Marika Pelyvas is a true professional, and has been treating clients in the Markham area for 13 years.

Ashgrove Spa's professional estheticians and therapists are highly skilled and continually strive for excellence while remaining up-to-date by educating themselves on the latest technologies and trends in skin and body care.

No matter what you need, Ashgrove Spa's friendly staff is ready and willing to help! Whether it's advice on how to maintain your youthful looks, or the need for a short, relaxing visit, the staff will make you feel comfortable

while answering all of your questions or concerns, male or female.

Today, visits to the spa are increasing in popularity, and provide a great way to spend quality time while relaxing with family members, friends or partners.

For couples, massage therapy and facial treatments are very popular - also up to six people can be accommodated in the manicure/pedicure area, so bring your friends!

Gift cards are available and are perfect for special occasions! The cards are beautifully designed, and allow the recipients to choose whatever treatment they wish.

Remember to check Ashgrove Spa's product promotions every month! The spa is continually updating its inventory, and offers high quality products, such as DARPHIN, GUINOT, OPI and AKELAINE.

So come visit Ashgrove Spa, and speak with a member of its friendly staff today.

The spa is conveniently located on the third floor of Ashgrove medical building in Markham, and is open Monday to Saturday.

Ashgrove Spa is located at 6633 Hwy. 7, Suite 304, in Markham.
