## Re-elect **Harry BOWES** for Leadership and Results

Harry Bowes does not have lawn signs:

- They clutter the landscape.
- They do not convey the character or integrity of the candidate.
- They cost money.

**Through 11 elections Harry has not accepted a penny in campaign contributions.**

Harry will:

- Press for a 7:00 p.m. starting time for regular council meetings.
- Insist on a new long range infrastructure plan which will ensure that our completed collector roads are in place before the development is finished. This will prevent the present gridlock and traffic congestion that we have on our streets.
- Re-organize the whole development process. The council should decide what type of subdivisions it wants, and from there the developer will present it's plan to council at a public meeting. The present procedure is backwards — where the town staff presents the draft plan at a public meeting.
- Ensure that subdivision plans adhere to the Town Official Plan and The Secondary Plan.
