Be Part Of The Hydrogen Revolution
Put An Extra \$100,000-\$200,000 A Year In Your
Pocket...On The Sale & Installation Of The
"Hydrogen Fuel Injection System"

The Best Part Is...This Is Based On One Installation A Week...Spending Less Than 4 Man Hours Of Work Per Installation

A FREE Information Seminar is being held on October 30, 2003 at 7:30pm for all those interested in becoming Regional Installation Centers for the "Hydrogen Fuel Injection System" (HFI). This is an outstanding opportunity to increase revenues and profits.

What Is A "Hydrogen Fuel Injection System" (HFI)?

An onboard unit, powered by the alternator, works on any internal combustion engine, long haul trucks being the focus. This safe technology produces hydrogen/oxygen on demand. These gases are delivered to the air intake manifold where improved overall efficiency occurs by aiding in a more complete burn. Benefits: Guaranteed 10% increased Fuel Efficiency, Increased Horsepower, Reduced Maintenance, & Reduced Emissions by 50%+

Come Learn What Other Hydrogen Opportunities Are Available For You...Licensing/Distribution...Installation/Service...Potential Opportunities* (Some Conditions May Apply)

"Fuel Economy and Clean Air Solutions"

For Information On Potential Opportunities Call Joseph Williams, President & C.E.O.

Help us shape the future of our community today
Phone Survey of Town of Markham Residents

Starting in the week of October 20, the Town of Markham is asking residents for their opinions on parks, recreation, culture and library facilities. Markham is updating its master plan and priorities for future development in these areas. This survey is one component of the public consultation program. Other elements include feedback from community groups and community Search Conference with residents. Monteith Planning Consultants will be conducting the telephone survey. We encourage our residents to take part in this important survey when contacted.

Find out more by visiting us at www.markham.ca/masterplan for regular updates or by contacting Sara Tam, Town of Markham, at 905-415-7533 or stam@markham.ca.
