"I received your mailing yesterday and you look like you would be a good addition to Markham Council. I was there for 23 years and retiring this year due to health. Your training as an Architect would be a welcome addition." **Gordon Landon, Regional Councillor**

TUMBLE FOR YOU

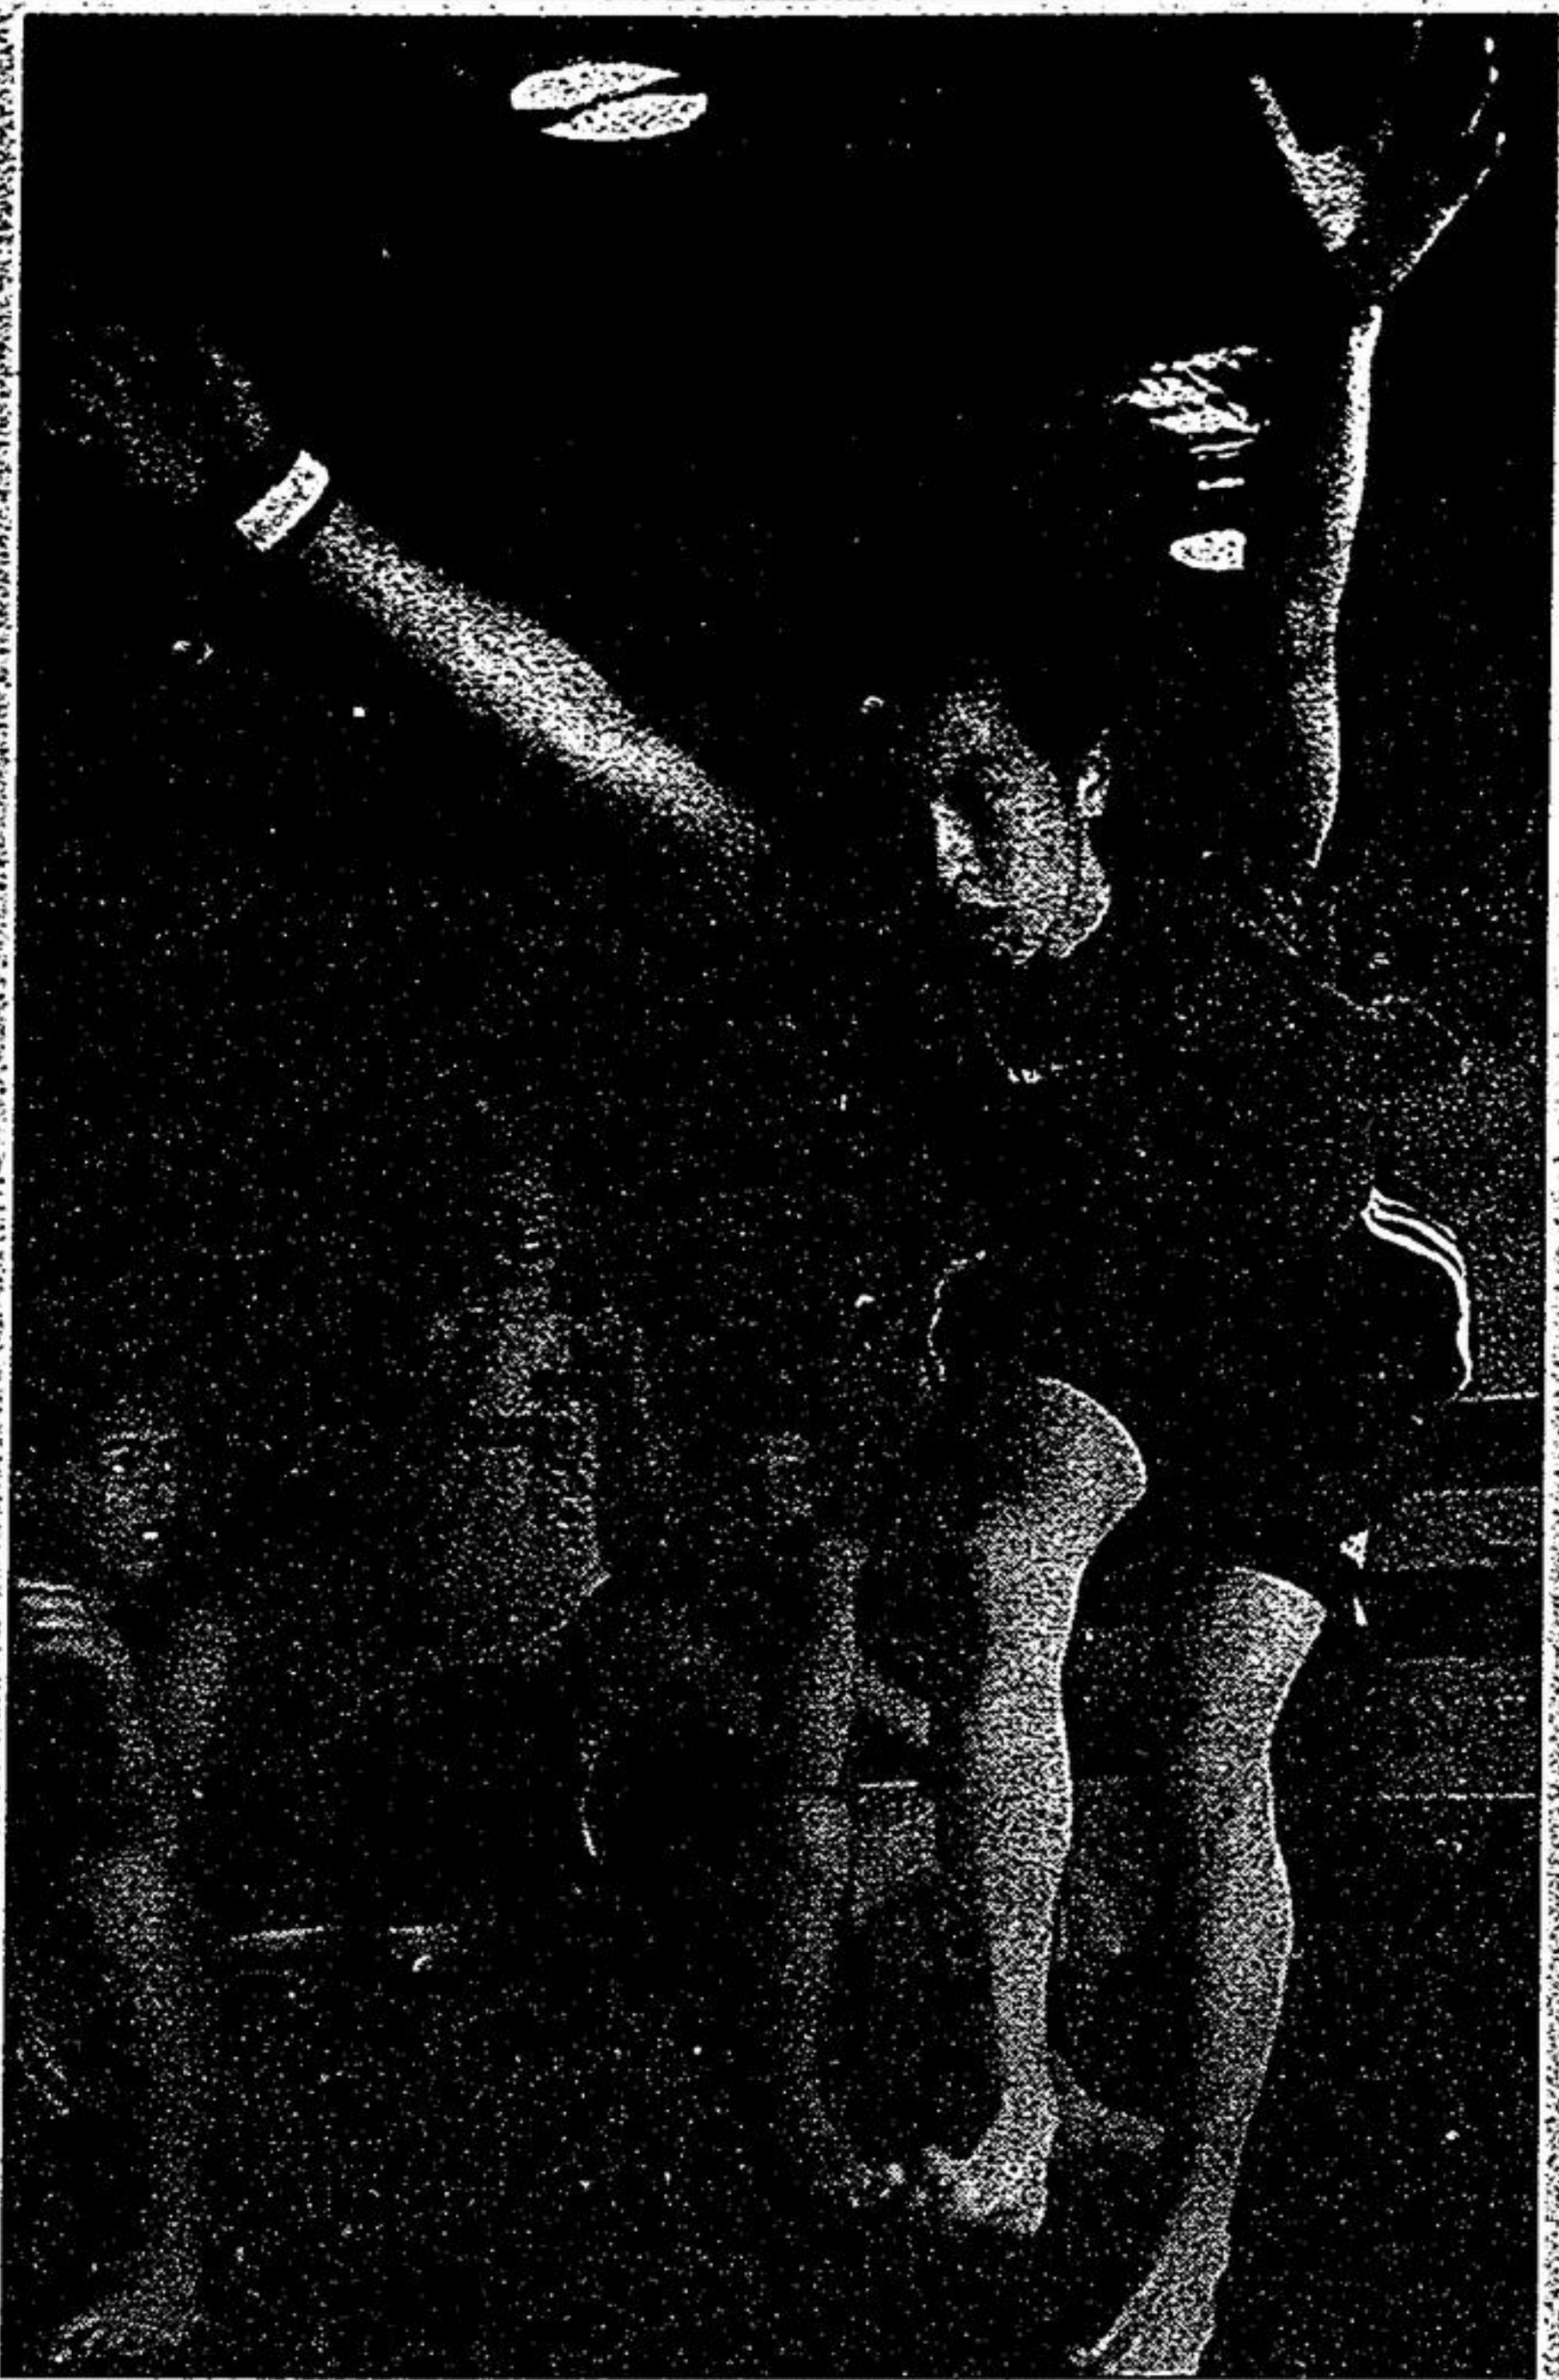

Joshua Sin, 16, takes part in tumble-a-thon at Markham Gymnastics Club recently. The event was a fundraiser for club members Sin and Ashley Speed, who competed at the world tumbling championships in Germany this month.

English team visits Stouffville

The Stouffville District Secondary School Spartans boys' rugby team hosts the Broxbourne School from England Wednesday at 4 p.m.

The team is making a four-school tour of Ontario.

"We'll have our hands full. But it will be a learning experience for us, not only about the game, but with their culture, too," Stouffville coach Jamie Hewitt said.
