# Frank SCARPITTI

...Regional Councillor

The decisions made by Markham Council directly affects every resident. Faced with the strains that rapid growth has placed on our Town, Frank has stood up and fought our battles at every turn. By re-electing him with the most votes, we can rest assured that our interests will continue to be protected. Here are some vital issues that Frank feels strongly about...

#### • Traffic Congestion

Frank believes strongly that before new subdivisions are approved, adequate roads and transit need to be in place first!

#### • Slowing Down New Development

Tired of crowded classrooms, scarce seniors accommodations, traffic, then speak up and help Frank slow down growth.

#### • Keeping the Lid on Taxes

As the parent of 3 young children, Frank understands the high costs of living and home ownership. As Budget Chief, Frank achieved a tax increase of less than the cost of living, while faced with significant cost increases.

#### • Protecting The Environment & Green Spaces

Frank led the fight and defeated the proposed 3000 acre industrial re-zoning in north Markham. He has championed the Rouge River and small streams, the Oak Ridges Moraine, Settlers Park and clean air measures. He feels strongly that we have a duty to future generations to protect what nature has bestowed.

#### Here's what those who know say...

"As a concerned environmentalist, I don't endorse many politicians! Frank Scarpitti is an exception. His support for our environmental causes comes at a critical time. We need more concerned leaders like Frank."

Sharon H. Braman  
 Chair, Rouge Valley

"The next council will be faced with a number of real challenges. Frank Scarpitti has a unique talent for bringing people together... resolving differences and making good things happen."

Dr. Ken Mc  
 Chairman, Fair Housing Council of Markham

"In my activity as president of the local C.U.P.E. for town employees, I meet and work with a lot of people in public life. Frank is a jewel. He's anything but a pushover but he listens and he truly cares. Markham needs Frank Scarpitti."

Kevin Gray  
 President, C.U.P.E. Local 119

"Frank has proven time and again that he is pro Thornhill! He is one of those rare politicians who truly represents all residents."

Bob Adams  
 former Thornhill Regional Councillor
