SDSS girls learn a lot on field

Spartans blanked at OFSAA field hockey championships

For the Stouffville District Secondary School Spartans girls' field hockey team, its presence at last weekend's Ontario Federation of School Athletic Association play-downs in Exeter proved to be a

learning experience.

Entering the tournament as the 14th seed, the York Region champion Spartans failed to win a game in their pool, which included losses to eventual host and silver medalist South Huron District Secondary School 3-0 and bronze medalist Oakville

Trafalgar High School 4-0. The Spartans also fell 2-0 to Hill Park Secondary School (Hamilton).

"There was some extreme competition," Spartans head coach Scott Croucher said. "For us, it was good in that the girls got to see what the highest level of high school play is like. There were some teams that play year-round indoors and outdoors. It was definitely an eye-opener."
