Welcome to THE ENHANCED SERVICE RENOVATION COMPANY

Specializing in kitchen & baths & home interiors

HOME FUSION'S SHOWROOM, located in Markham, has already made a name for itself since opening in September of 2002.

ENHANCED SERVICE & GUARANTEES? YOU BET! WE AIM TO PLEASE!

If one could describe a perfect team, this would be it! Owners Jim Kearney & Tatiana Nevelshtein are quite the combination. Tatiana, a high end kitchen designer for 10 years with a flair for style & Jim, a specialist in kitchen/bath renovation & home interiors for 19 years.

It's the "perfect partnership" says Jim. "With our combined talents in this field, we work together on the design, planning & presentation of every project & produce some pretty amazing results." Jim's motto, "The greater the challenge, the greater the motivation."

"Being a total project management company with "in house trades", we handle everything from concept to completion & we do it well. We endeavour to be different & as a personal touch we challenge ourselves to produce something truly original & unique for every client."

Home Fusion guarantees that all contracts will not exceed the agreed price. We will absorb any hidden cost if unforeseen structural, routing or hidden obstructions should arise. "It's all about fairness," explains Jim. "If a contractor or designer makes an oversight, & many do, why should the client have to pay for that mistake in the end. This is how most renovations go over budget. From a client's perspective, the contractor should be in the know, period. Our successful project conclusions reflect the extensive site assessments that were done in the early stages of every project. It's all about credibility & trust. We are ourselves consumers & give our clients the service & respect that we would expect."

Home Fusion features most likely the largest selection of ceramic tiles, natural stone, slate, marble & granite in Markham in their HWY # 7 showroom, with over 3000 samples to choose from. The display is incredible, well lit & is designed with ease of selection. If your looking for tiles, it's a must see.
