EVENING OF STYLE

The Friends of Markham Stouffville Hospital presented their fifth annual Fashions for Life fundraising dinner and show at La Parc in Thornhill, on Wednesday, October 22 and are pleased to announce that it truly was a great night for all that attended. The goal of this fundraiser was to raise enough money to be able to purchase a Zeiss Ceiling Mounted Microscope for ENT Surgery for Markham Stouffville Hospital, and because of all the hard work of our committee members and generous contributions of our sponsors, advertisers, contributors and volunteers, we were able to reach our goal. So, it is from the bottom of our hearts, we sincerely wish to

# My Heartfelt Thanks

*Frank Scarpitti* – Deputy Mayor

**Dear Neighbours:**

For the 3rd straight election, you have blessed me with the most votes for the position of Regional Councillor. In fact, my margin of victory increased once again, to almost 12,000 votes over my nearest competitor. In stating this, I do not do so in a boastful way but in clear recognition that residents share my concerns about the following important issues:

**Slow Down New Development:**

The new council must put the concerns of existing residents 1st. Not that of developers and pro-growth politicians! The quality of life that we share hangs in the balance.

**Reduce Traffic Congestion:**

Before new subdivisions are approved, adequate roads and transit need to be in place 1st.

**Keep The Lid On New Taxes:**

Taxes are high enough!

**Protecting the Environment & Green Spaces:**

We all have a duty to protect what nature has bestowed. I will be vigilant on this front.

To those who were fortunate enough to be elected, I extend my congratulations. The hard work starts today. For those that lost, please accept my thanks for participating in this very important election. From my perspective, the caliber of all the candidates was extremely high. Democracy was indeed well served. Please stay involved in community activities and remind this new Council of the promises and commitments made during the election.

In closing, thank you again from the bottom of my heart for your continued support. I pledge to you my unconditional commitment to work solely on your behalf.
