

NOTICE OF PUBLIC OPEN HOUSE ELECTRICAL SUPPLY TO SOUTHERN YORK REGION

Hydro One Networks Inc. invites you to attend a Public Open House to learn more about a proposed electricity transmission project in southern York Region (see map). The project involves the construction of a transmission line running parallel to existing lines and a station on the existing Parkway Belt hydro corridor.

- A new transformer station (Parkway TS) located southwest of Warden Ave and Highway 407 in Markham; and
- A new 6.5 km transmission line, from the proposed Parkway TS to the existing Richmond Hill TS just west of Bayview Avenue on the north side of Highway 407 in Richmond Hill.

The proposed facilities will assist in meeting the need for electrical supply in the GTA, and specifically the growing needs of the communities of Richmond Hill, Markham and Vaughan, by increasing electrical transmission capacity and ensuring power reliability.

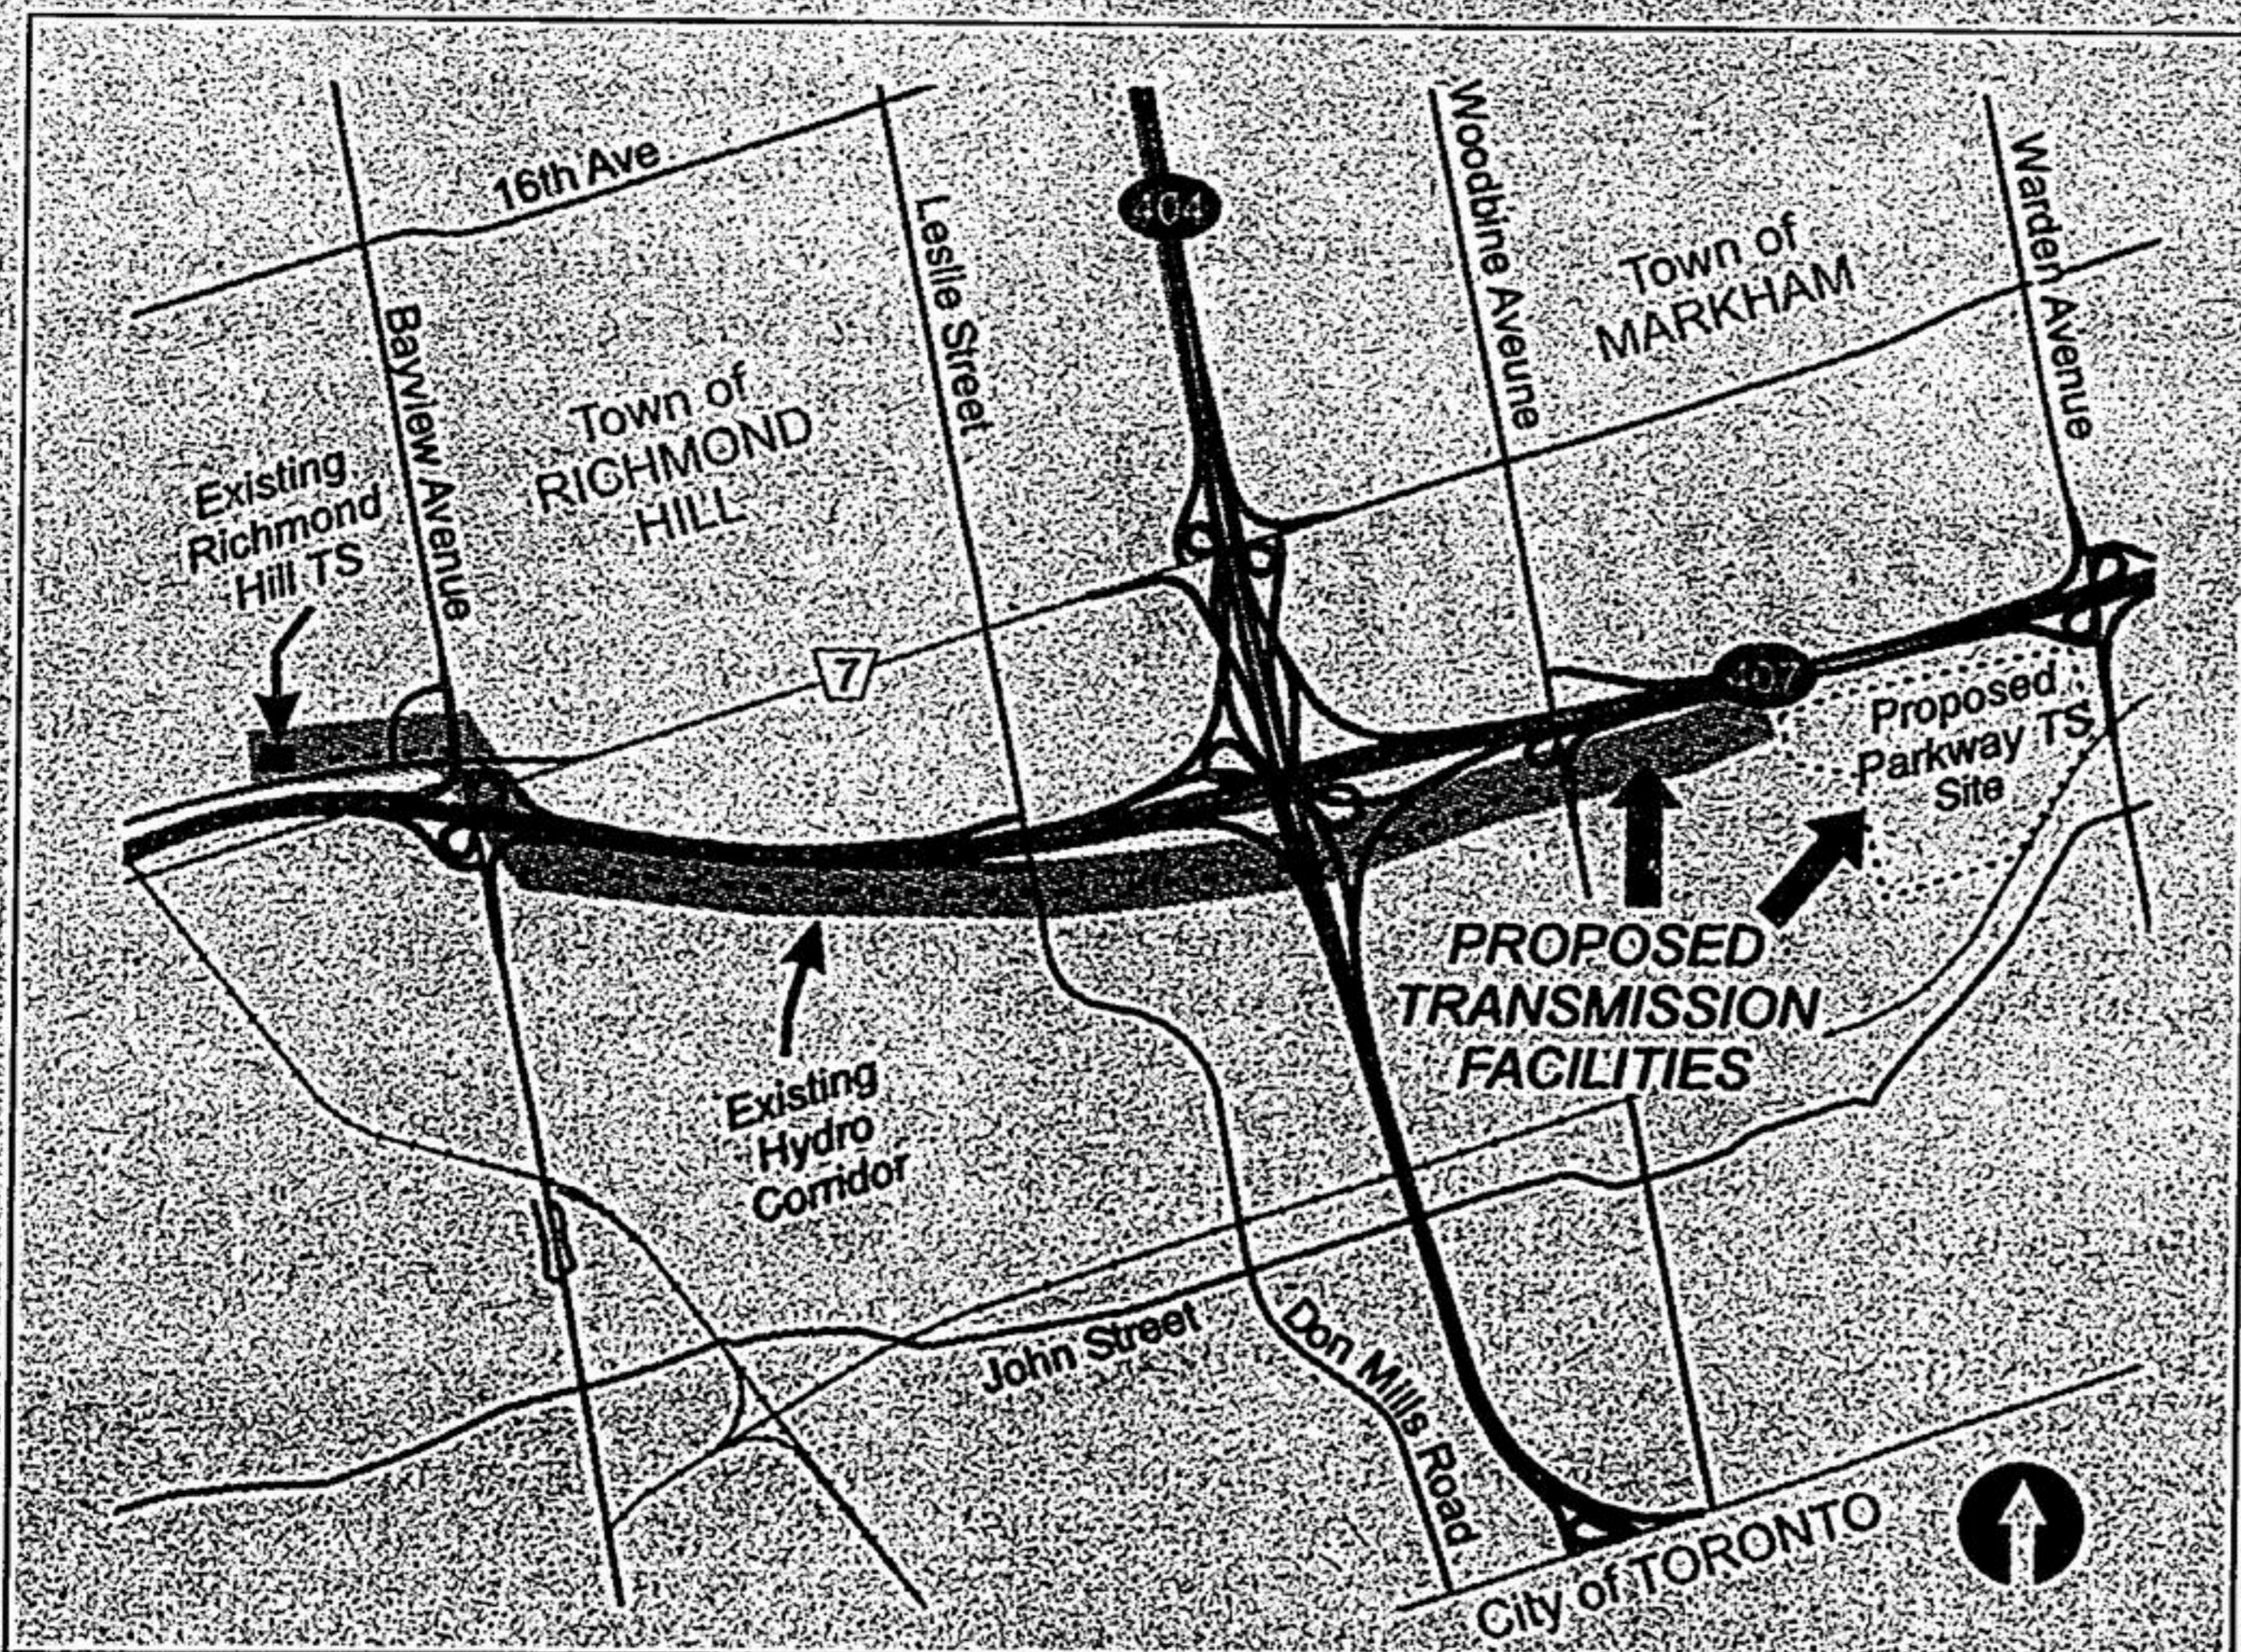

The Open House will provide you with the opportunity to review displays of the proposed facilities and provide your input to our project team.

The time and location for the Public Open House are as follows:

Date: Tuesday, November 25th, 2003
Time: 4:00 – 9:00 pm
Location: St. Robert Catholic High School
8101 Leslie Street, Thornhill
(south of Highway 407)

If you'd like more information about this project and/or wish to be put on our project mailing list, please contact:

Garlic great to fight germs

From page 19.

off colds as much as garlic.

A peeled garlic clove chopped and taken in a spoonful of honey or yogurt is an amazing natural antibiotic that helps your body fight illness without the nasty side effects of commercial antibiotics.

I've even just cut it into small chunks and taken them like regular pills.

Yes it's stinky and your friends and family might run from your bad breath, but, amazingly enough, it might also help scare off nasty germs.

IS YOUR TEACHER TOPS?

Tell us why your teacher is one of the community's best. In a short letter, give details to support your submission. Once a month, York Region Newspaper Group editors will select a Teacher of the Month who will be eligible to win fabulous prizes, donated by local community-minded businesses that recognize the value of great teachers. November teacher nominations are now being accepted. E-mail or mail your submissions today to editor Tracy Kibble at tkibble@ymg.com or fax them to 905-853-5379.

The free flu shot. The smart thing to do.

We have all seen how serious infectious diseases can be. But influenza, commonly known as the flu, is an infectious disease we can beat. Just get your free flu shot. It does more than protect you; it helps protect everyone around you, including people who are at high risk if they catch the flu. Getting your free flu shot has never been easier. Ask your doctor, local pharmacist, your employer or call for a clinic near you.
