As the premiere family event of the year, kids are special at the Markham Festival of Lights. At the Kids Crafts centre, in H&R Block, Main and Robinson, they can make and take some wonderful bead and Christmas creations home. Visit the Petting Zoo at St. Andrew's United Church at the south end of the street and see the Living Creche complete with a live camel. Children can also have a dog cart ride, enjoy the performance by Scrooge, and listen to the Cat'n Fiddle. There are clowns, Madame Buskerly stilt walker and the Travel'n Riverboat Show. St. Andrew's Presbyterian Church is holding a Junior Bazaar with crafts, food and activities. And of course, don't forget to visit Santa who will be located inside on the north-east corner of Main and Robinson Streets. He will be available to hear all those special wishes and

Clowns are just one of many attractions at this year's Markham Village Festival of Lights
