DR. BILL NEWTON, CHIEF OF FAMILY PRACTICE

The Board of Directors of Markham-Stouffville Hospital is pleased to announce the appointment of **Dr. Bill Newton** as Chief of Family Practice, effective November 6, 2003. Dr. Newton trained at the University of Toronto Faculty of Medicine, graduating in 1986 and completing his Family Medicine Residency in 1988. After opening his practice in Markham in 1988, he joined Markham Family Physicians in 1990. Dr. Newton has been an active member of the Hospital medical staff since its opening in March 1990.

We congratulate Dr. Newton and look forward to working with him in his new role.

We would also like to thank **Dr. Stephen McLaren** for his leadership over the past seven years as Chief of Family Practice.

WHAT'S NEW? ON THE GO BISTRO ...

As you step into the main lobby of Markham Stouffville Hospital, the aroma of freshly brewed coffee will gravitate you to our new On the Go Bistro.

Centrally located and with an inviting design, the new kiosk was built to meet increasing demand and resolve the space issues of the previous Cafe Express. Opened in mid-October, the On the Go Bistro provides enhanced food services and extended hours of operation to better serve our staff and visitors, especially on evenings and weekends.

Along with a variety of hot and cold beverages, assorted fresh baked muffins and pastry and grab-and-go snacks, the On the Go Bistro features Pizza Pizza, a variety of hot entrees and Panini sandwiches, and a selection of home-style soups. Make a point to stop by the On the Go Bistro the next time you're in the Hospital, whether for an appointment or to visit a loved one.

NEW MEDICAL STAFF APPOINTMENT
