Happy Holidays from Sandy's Auto Service The Home of the Doctor

When it comes to servicing your vehicle, an ounce of prevention goes a long way, especially with winter coming. The folks at Sandy's Auto Service in Markham know how important regular automotive service is to avoid costly repair bills and maintain the value of your vehicle.

"Proper maintenance can save you both time and money," says Sandy, an ASE (Automotive Service Excellence) Certified Technician who is affectionately known as The Doctor. "A small investment today will ensure months of carefree driving through those long, cold winter months." And "There's more to doing a tune-up than just installing new spark plugs," he notes.

Sandy's Auto Service provides all types of repairs and maintenance on import and domestic vehicles. Cars and trucks today are more sophisticated and complex, and troubleshooting can be very challenging. At Sandy's Auto Service, master technicians are constantly upgrading their skills and techniques to accurately diagnose problems and to apply the right solutions. Guaranteed workmanship and warranties are above and beyond most.

"Our technicians are fully licensed and updated in computers, anti-lock systems and diagnostics," stresses Sandy. "We use the latest high-tech diagnostic equipment to repair your vehicle."

At Sandy's Auto Service, the man you speak to about repairs is the man who performs the repairs. "I'll tell you whether your vehicle does or doesn't need fixing, or if you need to take it to a dealership for warranty work," advises Sandy, a 40-year veteran in the automotive business.

Sandy will explain any repair or maintenance work that is being performed and will answer any questions. He also shows customers any defective parts and explains why they need to be replaced. This personalized service and attention to detail

keeps customers coming back and referring their friends.

"I'll ask you before I go ahead with any work," he says. "Honesty, fairness and respect for the customer is the foundation of our business."

PREPARE NOW FOR COLD WEATHER

Now is the time to have your vehicle winterized. Whether it's a tune-up, checking the anti-freeze, heating system controls, or snow tire installation, the experts at Sandy's Auto Service are ready to go to work for you.

Sandy wishes to thank all his loyal customers for their support all year round and sends out a warm greeting for a safe and happy holiday!

Call Sandy's Auto Service today to arrange an appointment. They're open Monday to Friday (8A.M.-6P.M.); closed Saturday and Sunday for family time.

Well folks, another year has passed. At this time Sharon, Sandy & Steve would like to wish each & everyone a very, very, Merry Christmas and happy, healthy & prosperous New Year.

All the Best
Sharon, Sandy & Steve

Welcome to THE ENHANCED SERVICE RENOVATION COMPANY

Specializing in kitchen & baths & home interiors

HOME FUSION'S SHOWROOM, located in Markham, has already made a name for itself since opening in September of 2002.

If one could describe a perfect team, this would be it! Owners Jim Kearney & Tatiana Nevelshtein are quite the combination. Tatiana, a high end kitchen designer for 10 years with a flair for style & Jim, a specialist in kitchen/bath renovation & home interiors for 19 years.

It's the "perfect partnership," says Jim. "With our combined talents in this field, we work together on the design, planning & presentation of every project & produce some pretty amazing results." Jim's motto, "The greater the challenge, the greater the motivation."

"Being a total project management company with 'in house' trades," we handle everything from concept to completion & we do it well! We endeavour to be different & as a personal touch we challenge ourselves to produce something truly original & unique for every client."

ENHANCED SERVICE & GUARANTEES? YOU BET, WE AIM TO PLEASE!

Home Fusion guarantees that all contracts will not exceed the agreed price. We will absorb any hidden cost if unforeseen structural, routing or hidden obstructions should arise. "It's all about fairness," explains Jim. "If a contractor or designer makes an oversight & many do, why should the client have to pay for that mistake in the end. This is how most renovations go over budget. From a client's perspective, the contractor should be in the know period. Our successful project conclusions reflect the extensive site assessments that were done in the early stages of every project. It's all about credibility & trust. We are ourselves consumers & give our clients the service & respect that we would expect."

Home Fusion features most likely the largest selection of ceramic tiles, natural stone, slate, marble & granite in Markham in their HWY #7 showroom, with over 3000 samples to choose from. The display is incredible, well lit & is designed with ease of selection. If your looking for tiles, it's a must see.

Call Home Fusion today at 905-201-5136 or drop in for a visit at 7 STAR PLAZA (S/E corner of HWY 7 & McCowan Rd.)
