

SMOKED HAM HOCKS

As promised we'll have quantities of our beautiful Smoked Hocks this week. Anyone who follows our ads will know that we promote these around holidays. That's because we make an especially large number of hams for special occasions - like Thanksgiving and Christmas. For every ham, there's a hock!

You'll need one of these to make Robert's Pea Soup (he's our Store Manager). Although it's great used for that, it's equally good simmered in sauerkraut or boiled and served with mustard. However you use it, you'll love it because it's very meaty, low in salt and it's slowly smoked so that it has the flavour that soup and hock lovers truly love!

THINGS THAT YOU SHOULDN'T MISS

OUR FRUITCAKE IS ALMOST SOLD OUT AT THIS POINT - a few slabs of the light and the dark are available - and a few rounds of the light. It's best to get it soon. Come January we'll be back to work making even more for next year. It seems that the aging makes a big difference in bringing out the full flavour of fruitcake.

TRADITIONAL TOURTIERES - they're available in a large 9" size - they'll usually serve 6. They're located in our freezer section.

GIFT HAMPERS in many shapes and sizes, prices and tastes. Special requests, including wine and spirits, can be accommodated. Incidentally, you'll find that you get more bang for your buck at our store because we don't use an additional overall mark-up % as most basket makers do. We charge a flat fee of \$10.00 per hamper, irrespective of its size - and this includes the packing, wrapping and the bow.

PREMIUM MEATS! If turkey is not your thing, we have a good supply of:

- Marbled Filet Mignon
- Fresh Capons
- Crowns of Lamb (Ontario)
- Crowns of Pork
- Boneless Lamb Loins (Ontario)
- Stuffed Lamb Legs (Ontario)
- Fresh Atlantic Salmon

GRETHE'S (pronounced Gretta) **CHEESE APPLES** - Grethe is the tall Danish girl who has worked at our store since 1986 in various capacities. She's Danish, she's wonderful and she has a special way with food. These Cheese Apples are made with 5-yr-old Cheddar and brandy among other things. They look like an apple and are just as delicious.

LARGE SIZE ENTREES - We have made a selection of 10 serving entrees. Should you need them, we have:

- Beef Stroganoff
- Capon Pies (aka a Chicken Pies)
- Scalloped Potatoes
- Lasagna (3 varieties)
- Beef Bourguignonne

SIDE DISHES! We've made what seems to be a mountain of Sweet Potato Puffs, Turnip Puffs and Scalloped Potatoes in the 6 serving size.

CRANBERRY SAUCE - Doreen's Brandied Orange Cranberry Sauce, as well as our Turkey Gravy, will be in good supply. We've been working like Santa's Elves getting all this ready!

CRANBERRY BUTTER TARTS - This is a year-round item for us, they're really so good. (Did I mention that they were drizzled with white chocolate?)

CHOCOLATE NOVELTIES - We probably have the biggest selection of good quality chocolate in the area. You'll find a wide assortment of figurines, trees (yes), wafers, truffles, bark and boxed chocolates - and a few of the mega size Toblerone bars (10 lb. size).

DECORATED BRIES in two sizes, which can be warmed and served or

BAKED BRIES or **CAMBERT** in our own puff pastry, seasoned with cranberry puree or a duxelle of assorted mushrooms!

And more!

FREE-RANGE TURKEYS

For the past number of years, whenever turkey time came, we simply reached into our cupboard and pulled out our "Turkeys are Us" ad, dusted it off and ran it a few times in the Economist.

Our customers had become so used to it that when they saw it, they didn't read it anymore. They just saw the picture of Turkey Al and Mike the Knife and phoned for a turkey.

Alas, things change, and so does our clientele. With so many new people who have moved into our area, our turkey story needs to be retold. We sell only free-range turkeys - they run loose and eat what they want (lots of grain). Add to this a gentler defeathering process, which leaves more of the natural flavour (and the odd feather) with the turkey and you'll have a turkey that exceeds your expectations - unless of course you've dined on one of ours before. Our turkeys are very moist (without the artificial help that a Butterball receives), very tender and flavourful and they cook a little quicker than most.

So order one of our old-fashioned turkeys. They range in size from 15 - 20 lb. and from 22 - 26 lbs.

GRAPE TOMATOES

These sweet little cherry tomatoes arrive at a great time. Not only are they great in salads, they're great on deli and cheese trays.

DOLE GOLDEN PINEAPPLES

What's great about super sweet pineapples is the low acid level - you seem to be able to eat a lot more! It's good that these are large (size #5) which means that these aren't just skin and bone, there'll be enough for everyone.
