AVONLEA DECORATING

Avonlea Decorating was established in 1996, and has since developed into one of the leading interior decor retailers in the Markham area. "We have continually grown with our clientele's needs for a quality 'one stop shop' interior decor store," says owner Gail Wannop-Koidis.

We are very excited to unveil our newly renovated show room. Avonlea Decorating is proud to be showing the latest in wall colour and drapery trends with great ideas on display.

We have built our name and reputation on providing quality professional service to our clientele along with a full range of decorating services and products. We offer leading brand names such as Hunter Douglas, Shade-o-Matic, Robert Allen, Joanne Fabrics, Para Paints as well as wall coverings by York, Waverly, Raymond Waites and much, much more.

Our services at Avonlea Decorating include custom drapery, window coverings, shutters, custom bedding, upholstery, paint, wallpaper and colour consulting. We also offer a wide range of floor coverings such as hardwood, laminates, cork and ceramics by SHAW.

Having trouble with your colour scheme? Try one of our in-home consultations, which are the best way to achieve the desired flow throughout your home. Our in-home consultations allow us to take everything into consideration, such as pictures, furniture, art, natural lighting and the relationship to the rest of the house.

Give the gift of colour! Avonlea Decorating offers gift certificates that can be applied to anything we sell in the store, and are popular house warming, shower, and wedding gifts. Also great gifts from husbands, the certificates show commitment to the up-coming project. What wife wouldn't be thrilled with that!

Avonlea Decorating now has on staff an Accredited Staging® Professional™. Staging® is

the process of preparing a house for sale so it makes a lasting impression on perspective home buyers. If you are considering putting your house on the market call us first and we will help you set your house apart from the rest of the market, resulting in a quick sell at the asking price.

Watch for our wine & Cheese Information Evenings this January and February featuring guest speakers from Hunter Douglas and Para Paints where we will find out the latest in fashion trends. We will also be having draws for gift certificates worth hundreds of dollars.

Avonlea Decorating is located at 5694 Hwy. #7, beside IGA in Markham. Call 905-294-1678

HSM CANADA

If you're looking for a way to promote your company, and want something unique to place a logo, name or crest on, then HSM Canada has the product you're looking for! HSM Canada is a promotional product company located in the Greater Toronto Area specializing in computerized embroidery, digitizing, creating logos, crests and silk screening.

Founded in February of 2000, HSM Canada gives clients access to thousands of products and awards to promote their name and image.

All the products are perfect for a name, crest or logo, and will get the recognition the client is searching for.

Most of the times, the client will have their own logos, however if they don't we can create one for them, explained Gary Hembruff, owner of HSM Canada. They tell me what they want, and I'll show them the best product to suit their needs, and have it made at a reasonable price.

The company's graphic designer can provide clients with new and unique designs for their crests or logos.

All you have to do is give the graphic designer an idea of what you want, and they will create it, said Gary.

HSM Canada has access to an astounding 500,000 products for their clients, and all suitable for an image, including apparel items, hockey and ball jerseys, hockey supplies, golf balls, custom jackets, accessories, magnets, watches, knives and tools, bags, pens, mugs, trophies, calendars and much, much more.

We have corporate wear, team wear, Clipper wear, Unionville Jets wear, folding chairs, caps, track suits, beach towels and custom jackets, said Gary, referring to a

few more items from the company's incredible product selection. "Anything a company or team logo can go on, I can do."

In addition, HSM Canada has an affiliation with Ultimate Sportswear, formerly known as Bully Boys Sports, and is partnered with top manufacturers in Toronto and Montreal, and coupled with plants in China. These connections allow HSM Canada to offer products that are sure to impress!

Some top name brands the company has access to include Arrow, Bill Blass, Quick Reflex, Ping, Roots Golf, Tommy Hilfinger, Non-Fiction, Gildan, Brightline, Dunlop, Titleist, Wilson, Dickies Canada, CCM/KOHO NHL, Hagar Shirts and Pants, Field & Stream, Ogio Bags, plus many more.

Clothing is the most popular and we do a lot of embroidery, explained Gary. Trophies for sports teams are popular too.

Gary said a standout feature of the company is its commitment to customer service and satisfaction.

We offer good, friendly service, and a fair price, said Gary. We're one to one.

Gary said he meets directly with the client and believes these one to one meetings are very important, and help to ensure a speedy turn-around.

This personal dedication to the clients is an important feature of HSM Canada, who greatly value and respect everyone they do business with.

We at HSM Canada wish you a very joyous Christmas and all the best in 2004! HSM Canada can be reached by calling their Stouffville office at 905-640-0969 or better yet check out their website, www.hsmcanada.com
