The Transportation & Works Department at The Regional Municipality of York is seeking a:

### Signshop Graphics Co-ordinator

You will provide technical leadership to staff and assume responsibility for the efficient operation of the Regional signshop manufacturing section, including developing, implementing and co-ordinating the graphic design, layout, preparation and completion of all manufactured Regional sign communication requirements. You must be knowledgeable of accounting and business administration principles and procedures and monitoring budget expenditures. **Competition #LN3749**

### Signshop Graphics Technician

You will assist in the efficient operation of the Regional signshop manufacturing section, including developing, implementing and co-ordinating the graphic design, layout, preparation and completion of all manufactured regional sign communications requirements. **Competition #LN3643**

**Both positions** require successful completion of a community college program in Graphic Arts/Design, 3 to 5 years of sign-manufacturing experience, including signage from the Manual of Uniform Traffic Control Devices, and a background in using computerized sign-manufacturing equipment and graphics design software applications. You bring demonstrated experience in computerized design, layout and cutting, and other software, including MS Office and Exchange, Adobe Illustrator, Photoshop, PageMaker and Acrobat Reader, QuarkXpress, Corel Draw and Macromedia Director. You are able to conceptualize, develop and present design solutions, and consistently meet production deadlines.

Please forward your resume quoting the competition number by January 5th, 2004. We thank all applicants for their interest, however, only those selected for an interview will be contacted.
