## Iraq comes to Stouffville

Elizabeth Brighton of Oshawa examines reproductions of temple figures from the Abu-Temple, Tel Asman, 2700 BC, a piece by artist Wendy Wallace on display at the Latham Gallery in Stouffville until March 21. The show, called Baghdad Museum, is a reconstruction of artifacts from Iraqi National Museum in Baghdad. Many of the artists will attend on the final day of the show to talk about their work.
