Looking for great pizza?

Then come celebrate the 20th anniversary of Station Pizza in Markham. In fact, no one knows more about pizza than the owners-the Olidis family. Their outstanding home-made pizza is the result of a 20-year family tradition.

Offering the kind of quality only available from a small, family owned and run business, along with a wide-range of mouth watering menu items, it's no wonder Station Pizza is a community favourite.

Owner George Olidis first opened the restaurant 20 years ago, and has been working there ever since. Now George, accompanied by his wife Niki, brother Bill, and sons Jim, Tom and Gary are at the restaurant every day cooking up great food that is the result of a two-decade commitment to hardwork and excellence.

Station Pizza would like to thank all of our customers. Come help us celebrate another 20 years!

What's the secret of the pizza? Besides being perfected over 20 years by the same hands, everything is absolutely fresh. Every pizza is prepared from scratch daily, with only the freshest ingredients possible.

"We make all the dough, sauces and pasta daily," said Jim. "It's simply delicious home-made pizza."

Whatever type of pizza you're looking for, you'll find it at Station Pizza, including: the legendary Station Master Pizza, the Natural Pizza, Meat Lover's Pizza, Hawaiian Pizza, plus many more.

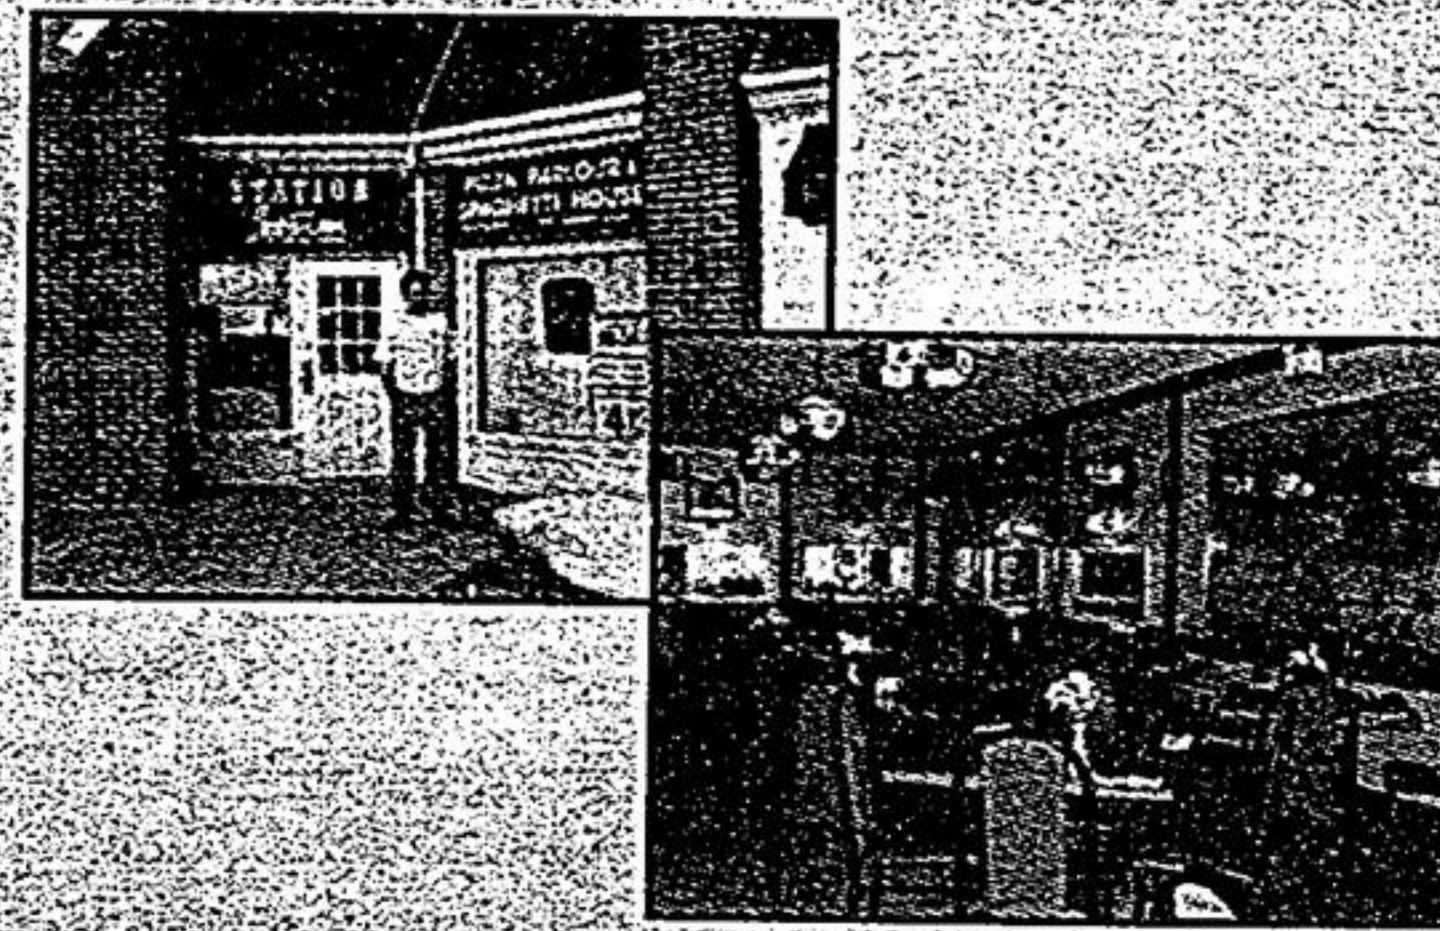

However, Station Pizza offers a lot more than just great pizza. Try their Lasagna, Spaghetti, Fettucini, Ravioli, Manicotti, and the best Caesar Salad in town, all prepared from fresh ingredients.

In addition, delicious home-made sub sandwiches are also available.

Station Pizza has been toasting subs for twenty years, and offer a wide variety such as meat ball subs, veal subs, pizza subs as well as cold submarines, and they're always fresh.

One thing is for sure, nothing beats the quality of a time perfected tradition, such as Station Pizza's weekly specials which have been offered every Monday to Thursday for the last 20 years.

On Monday, enjoy a three-topping, 8-slice pizza for only \$9.95. Tuesdays, spaghetti made with fresh pasta

and tomato sauce is only \$7.95. Then on Wednesday, veal parmesan with spaghetti is available for only \$9.95, and chicken lovers will drool over the delicious chicken cacciatore offered every Thursday for only \$9.95.

"We may be the oldest, licensed, same-owner pizza establishment in Markham," said Tom. "I don't believe any other place has been around as long as we have."

Inside, Station Pizza can comfortably sit 65 in its relaxing, family oriented atmosphere. The restaurant is also licensed, and serves a long list of beer, liquors, and wines. The large sitting area is also great for parties and get-togethers.

Station Pizza is open everyday for lunch and dinner from 11:00 am to 11:00 pm, except for Saturday from 4:00 pm to 11:00 pm.

Come and enjoy a wide variety of daily specials, including lunch specials priced as low as \$4.95!

Everything on the menu is also available for take-out. With such deep roots in the community, the Olidis family is always helping out where they can, including sponsoring local sports teams, running an annual Charity Golf Tournament for the last 12 years, and supporting Evergreen Hospice.

Station Pizza is an all-around family business that tries to support the community as much as possible.

Mr. Stoop & Scoop

Spring is on the way, but it doesn't look or smell very good.

Has your dog left many treasures beneath the snow in your yard? We have the perfect solution. Call MR. STOOP & SCOOP, the pirate that loves to collect such treasures.

Started by Glen Gibson, Mr. Stoop & Scoop is a Pet Waste Removal service that caters to clients in Markham and Stouffville.

With the slogan, "Let us do the dirty work for you," the service has become very popular.

Glen started the service in 1993 after he read an article in a supermarket magazine about a fellow in the States who had a profitable business in pet waste removal.

"All of my customers are very pleased with the job I do," explained Glen. "I have customers that I have had since the beginning."

Currently, Glen has a large base of customers that he services weekly, however he wants to expand his business into York Region.

Glen deals with dogs daily in his other full-time job and owns one of his own, so he is very comfortable around them.

"I deal with plenty of dogs in both jobs," he says.

After cleaning up after the dogs, Glen is on his way. In fact, most of his customers don't even see him. They know he's been there because the waste is gone.

And now is the perfect time of year to think of Mr. Stoop & Scoop. Dog owners should call before the snow melts to book an appointment. Let Glen take care of the pickup and removal of your dog waste.

"Don't wait for the snow to go," said Glen. "I get very busy and some people call when the snow is gone and I'm booked up."

Mr. Stoop & Scoop offers Spring clean-up, weekly or monthly service with very reasonable rates. And, don't be embarrassed at all to make the call!

New this year, submit by email your joke and you have the chance to receive two weekly clean-ups when you sign up for the year. The winning joke will be put in the ad. The contest is for six weeks, check in each week for the winner.

Call now and enjoy a yard where you don't have to watch every step!

The Spring clean-up starts at \$60.00, or sign up for weekly clean-ups starting from \$11.00. Take back your yard today!

Call Mr. Stoop & Scoop for more information or to book your appointment. Call either 416-898-GONE (4663) or 905-642-6464 or visit www.mrstoopandscoop.com. Glen can also be reached at mrstoopandscoop@aol.com

Dear Glen,
We have been extremely satisfied Mr. Stoop and Scoop customers for almost a year now and we recommend your services to everyone we know that has a dog. Glen you have appeared like clock work weekly to clean our property leaving us to spend our free time enjoying ourselves as a family in the yard rather than cleaning it. As you know we have a big dog who leaves big packages and we are so grateful for your prompt, affordable service. You've been friendly, helpful and great with our dog and we know that when you leave our yard will be spotless and the gate door secure.
THANKS GLEN!!
Warmest regards,
Ken, Reeganne and Kaber Duncan
