Unionville, Stouffville skiers to nationals

Just call Christine Fisher the Queen of the Hill.

The 15-year-old Unionville resident made her presence felt at the Mars K2 provincial alpine skiing championships near Collingwood by winning the overall championship.

In a series of six races

staged last week, the Grade 9 Unionville High School student captured a giant slalom and super giant slalom race, finished second in a slalom event, third in a giant slalom and super giant slalom event and fourth in a slalom race.

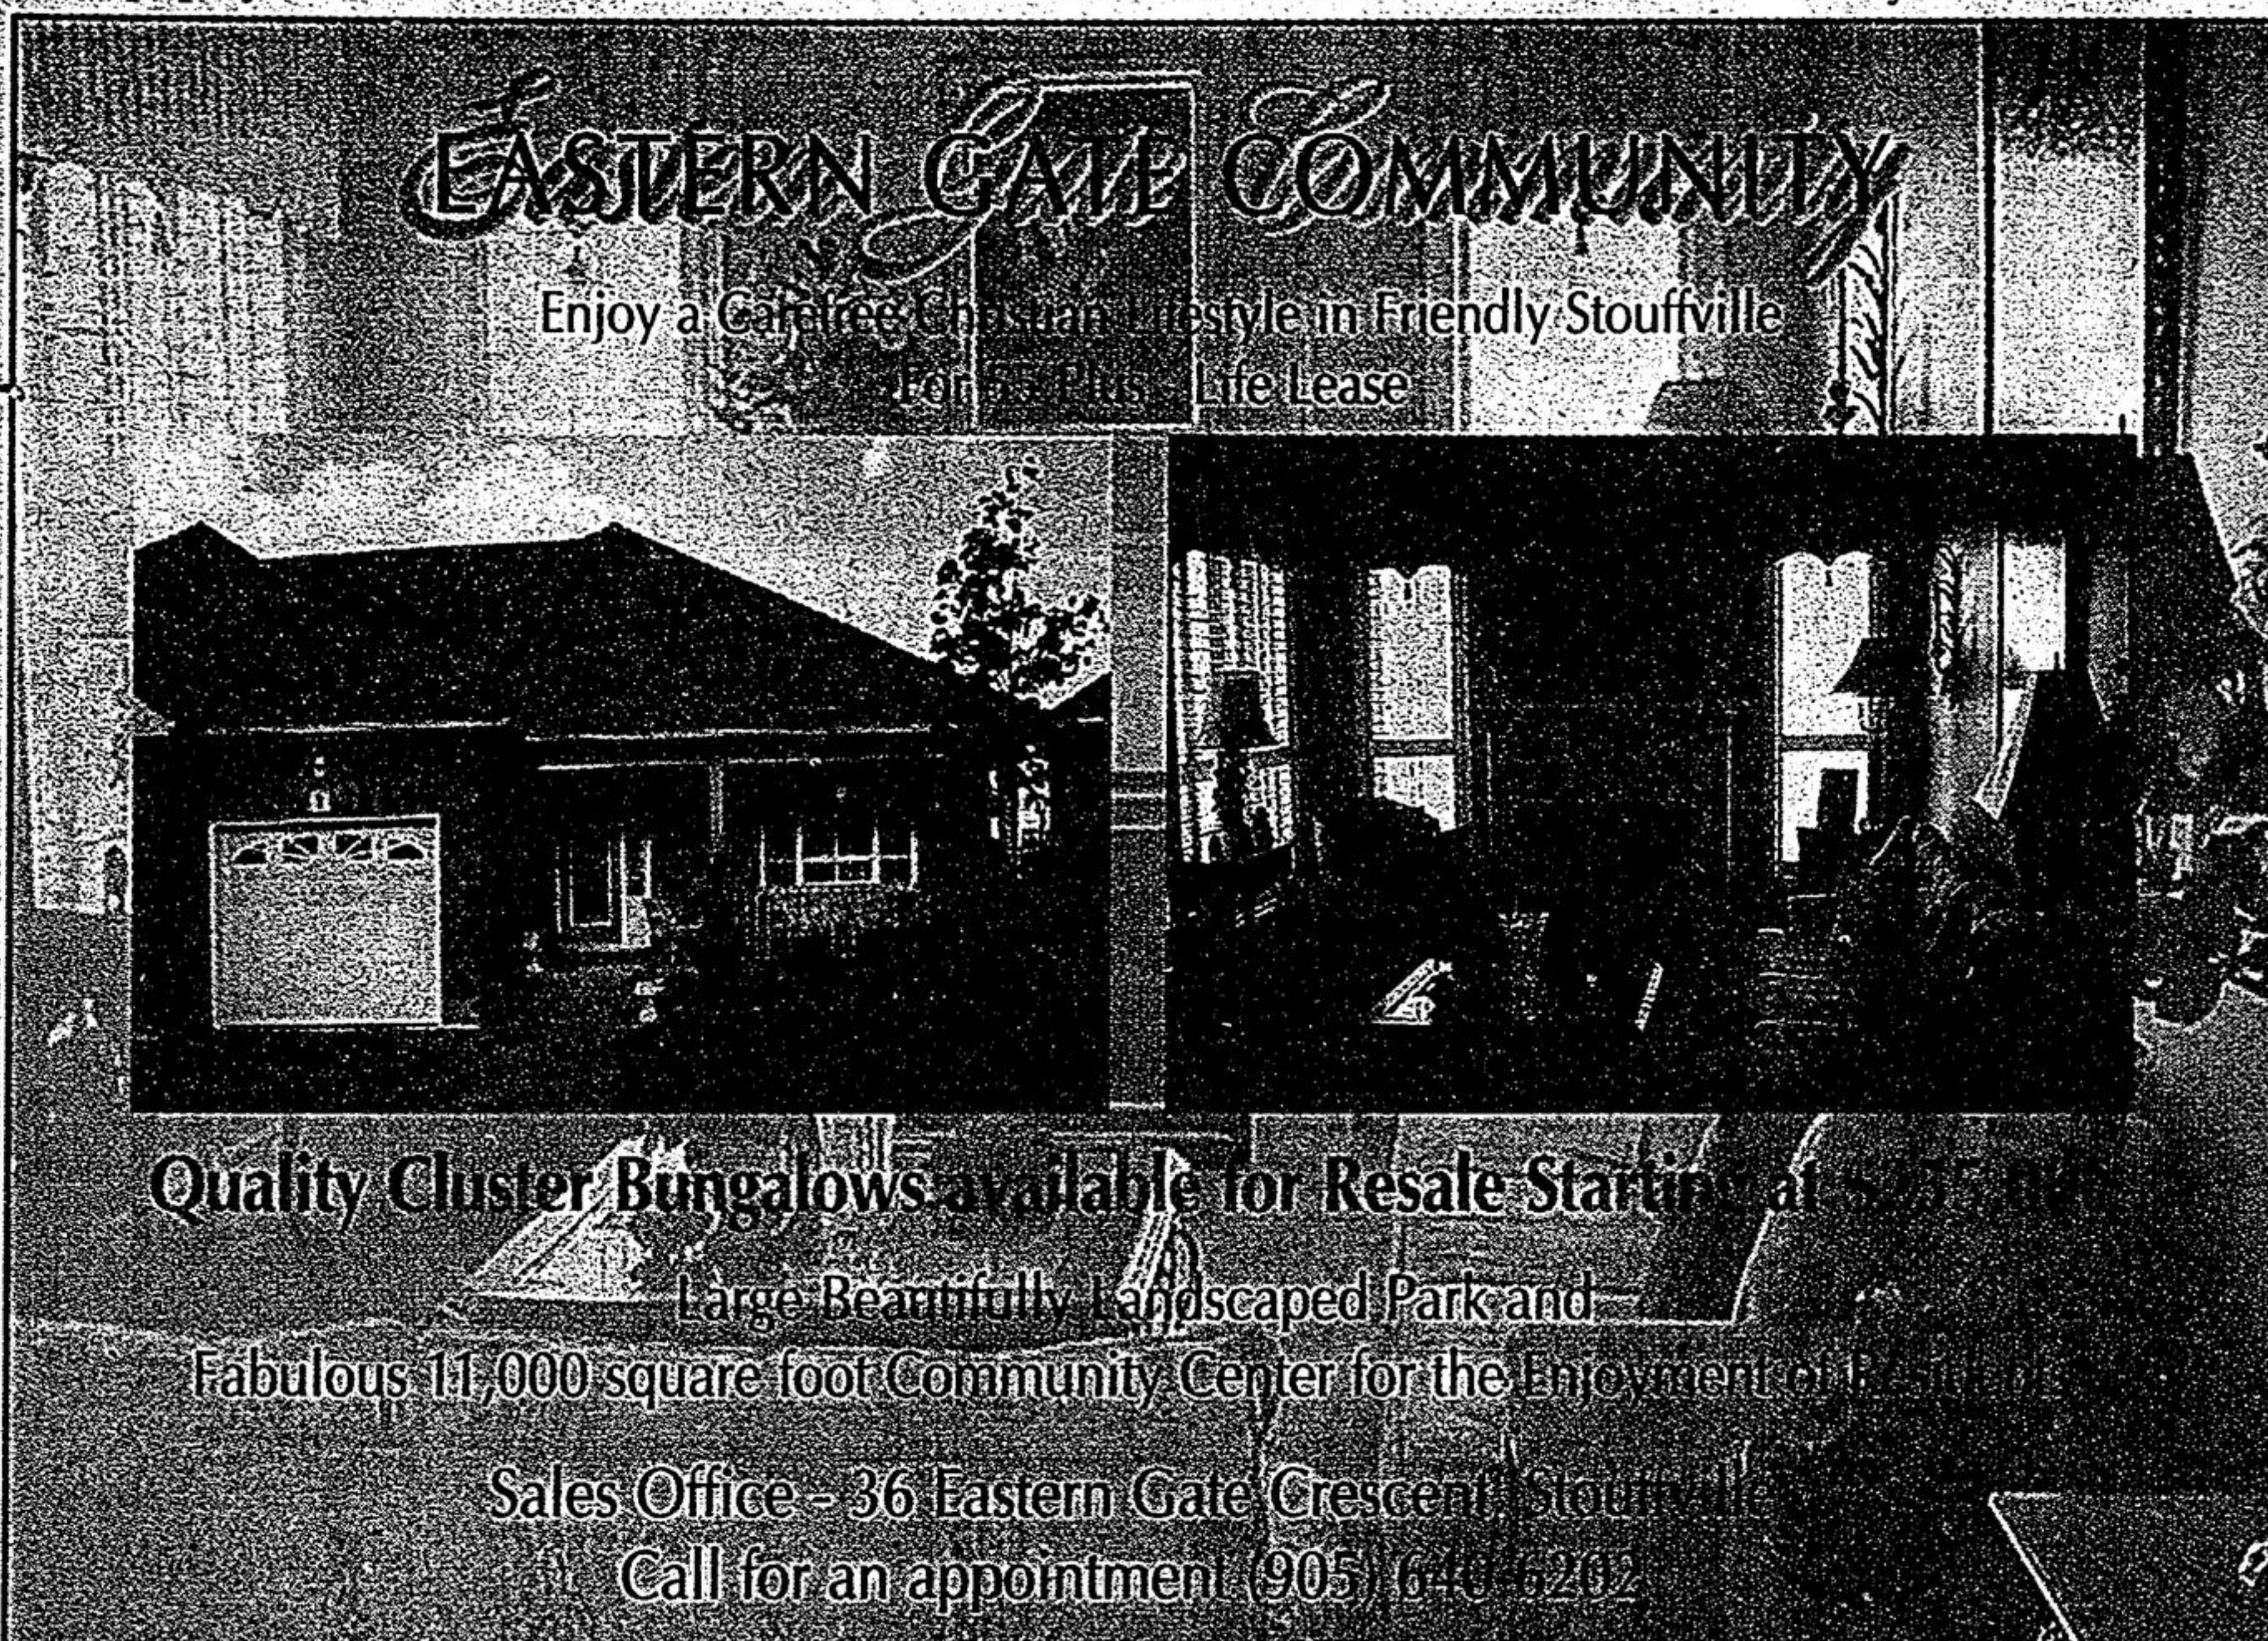

By virtue of her performance, Fisher, who is a member of the Beaver Valley Ski Club, earned a berth on Team Ontario and will go to the Canadian juvenile alpine ski championships in Banff, Alta. from March 22 to 27.

In the men's field, Graham Wilson of Stouffville finished second overall and will be part of the six-member provincial contingent that will go to Banff.

Skating out of Devil's Glen, Wilson earned a pair of seconds in a giant slalom and super giant slalom race, a third in slalom, a fourth in giant slalom and a seventh in another super giant slalom race.

Also earning a berth on the men's team was Philip Oram of Unionville, who skis out of Georgian Peaks.

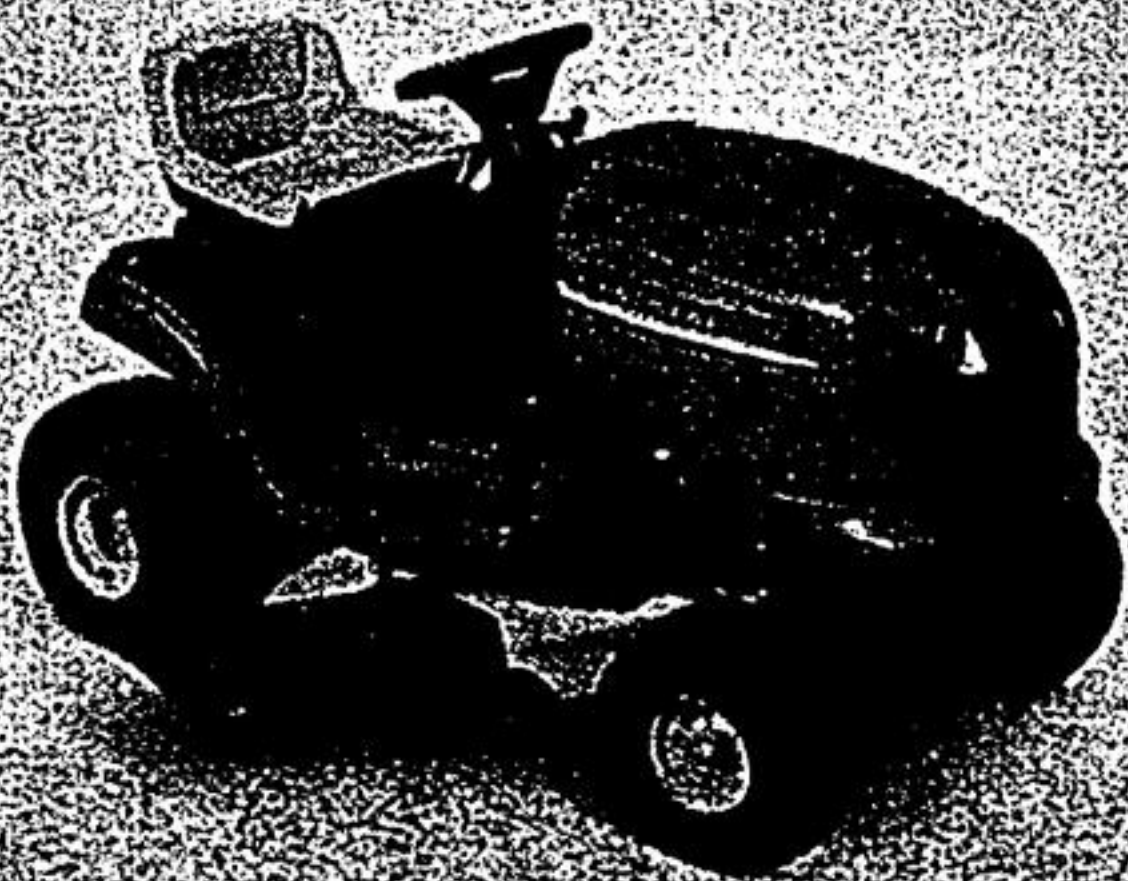

Listed as alternates for Team Ontario were Unionville residents Alison Banfield (Craigleith Ski Club) and Maddisyn McKee (Toronto Ski Club).
