

## Now in effect...

### Pay and Display Parking in the Hospital Visitor/Public Lot and the Medical Office Building Visitor Lot

On March 29, 2004, Marham Stouffville Hospital implemented the new pay and display parking system in the Visitor/Public lot and the Medical Office Building (MOB) Visitor lot. This new parking system has already improved the traffic flow at the Hospital.

- After you park your vehicle, purchase a ticket from the pay and display ticket machine, and place the ticket portion "face up" on your vehicle's dashboard.
- Ticket machines accept \$0.25, \$1 and \$2, or credit cards ONLY. Change machines are available in the Visitor lot, Hospital and MOB lobby. A bank machine is available in the Hospital lobby.
- Seven-Day and 30-Day passes are available for purchase from the Parking Pass & Change Kiosk at the Visitor Lot East Entrance, and in the MOB lobby.
- In response to the concerns expressed by our seniors group, we are working on finalizing a special discount process for Day Passes for seniors. Stay tuned for further details in our communique next week. In the meantime, discount rates for the 7-Day and 30-Day pass remain available.

#### Process to Receive Seniors 30% Discount: 7-Day and 30-Day Pass Only

1. Purchase a regularly priced 7-day or 30-day pass from one of the kiosks. Alternatively, you can purchase the discounted pass from the Cashier's office directly.
2. Bring the receipt portion to the cashier's office along with your seniors card or valid driver's license.
3. The Cashier will give you a cash reimbursement of \$7.50 for the 7-day pass and \$15.00 for the 30-day pass.

Cashier's office hours: Monday-Friday 8:30am-4:30 pm

Emergency Visits, Appointments, Outpatient Procedures and Clinics

- If you're coming to the Hospital Emergency department, or for an appointment/ outpatient procedure, we recommend that you purchase the appropriate time for your stay in the Hospital.

#### Did you know?

- Revenues from parking go directly to support the hospital's operating expenses.
- York Central Hospital, Southlake Regional Health Centre and many Toronto Hospitals and municipalities have implemented this automated parking system.
- The parking change will allow you to enter or exit the Hospital Visitor/Public lot from either Church Street or Butterfield Lane.
