Justin Sherwood May 31, 1983 - October 26, 2001 Twenty one years ago today, God sent us an angel, we thought would stay. Today is your birthday and we are apart, It's so hard to breathe with a broken heart. Deep in our souls, we know it was your time to go, But with these Mum and Dad hearts, we just miss you so. Gone are the hopes and dreams of your future, And the wonderful life, we so hoped you'd have. We are blessed with the memories of you, as all parents are. Now those times we spent together, seem to be slipping so far. This milestone birthday is hard to take, Time is going on, so a different life we are trying to make. Justin, you are in a time capsule now... but every birthday we'll try to celebrate somehow. The veil between Heaven and Earth is ever so thin... we've been given special moments, to let us peek in. Forever connected from one side to the other, each of us working hard to help lots of others. One day we'll be together again. Until then, dear Justin you'll be safe in our hearts, not even your passing, will keep us apart. We love and miss you more as time goes by... Mum, Dad and dear old Kirby xxx

PAPPAS Nicholas G. March 20, 1941 - May 31, 2002 Beloved husband, father and grandfather.

In tears we saw your sinking. We watched you fade away. Our hearts were almost broken. You fought so hard to stay. God saw you getting tired. When a cure was not to be. So he closed His arms around you. And whispered, come to me. Your golden heart stopped beating. Your gentle hands at rest. God broke our hearts to prove to us. He only takes the best. But when we saw you sleeping. So peacefully free from pain. We could not wish you back to suffer. That again. Gone but never forgotten. Love Pat, Irene, Nick, Kate, Stacey, Jim, Jimmy and Patrick.
