**3 wanted in robbery**

Police are seeking the public's help finding three people in connection with a robbery in downtown Stouffville Thursday evening.

Three males in a vehicle approached three teenagers riding bicycles near Park Drive and Main Street around 10:10 p.m., police say, shortly after the end of the Midnight Madness shopping promotion.

"One of the males exited the vehicle and demanded the three victims had over their bicycles," Const. Laurie Perks said. "One of the victims stated, 'No,' and the three kept on riding. At this point, the same male exited the vehicle again and pushed one of the youths off his bike."

Another male chased the three victims down Main Street, Const. Perks said. "The victims were threatened with bodily harm if they did not hand over the jewelry they were wearing. The victims refused, but their jewelry was ripped from them with force."

All three males are described as white, between 18 and 20 years old, five-foot, eight-inches tall and 160 pounds.

One has a heavy build with a beard and wore a black bandanna, black Mecca jersey, blue, baggy pants and prescription glasses.

Another has an average build, bald, clean shaven and wore a black sweater and jeans. The third has dark hair.

**Two wanted in abduction**

York Regional Police are looking for two men after a young woman was accosted in Markham Tuesday.

A 21-year-old Markham woman was walking on the north side of Hwy. 7, west of Hwy. 48, at approximately 8 p.m. when a white, sporty-looking car with a skirt kit pulled up beside her.

The passenger got out of the vehicle and grabbed at the victim, telling her to get in the car.

A passerby saw what was happening and called out. The suspect then laughed, got back into his car and the vehicle drove away.

No one was hurt.

Anyone with information is asked to call police at 1-866-876-5423, ext. 7541, or Crime Stoppers at 1-800-222-TIPS.
