Hometown singer performs for school

Stouffville singer, songwriter, and instrumentalist Bryan Moyer Suderman will perform at a charity event for Willowgrove Primary School at the school, 11737 McCowan Rd., on Sept. 11 at 6 p.m.

A Stouffville resident, Mr. Suderman's concerts are interactive and aimed at all ages. He will perform from his recent CD *God's Love is for Everybody: Songs for Small and Tall*.

Mr. Suderman has years of experience performing and inspiring people to sing, whether doing a concert for campers, busking with an Andean band or leading singing with 7,000 people at last summer's Mennonite World Conference in Zimbabwe.

The enthusiastic response to his songs and performances has also meant Mr. Suderman, a former teacher, youth pastor and overseas mission worker, is increasingly busy doing performances and concerts in churches and schools.

He feeds the sheep, cows, chickens, pigs and a donkey every day before breakfast on a farm he shares with his wife and son.

The event, which begins at 3 p.m., includes wagon rides, a corn maze,

climbing wall, animals, mini golf and carnival rides.

Meeting house historic

A commemorative service honouring the Altona Mennonite House will be held on Sept. 11 at 3 p.m.

The historical house is at the intersection of the Uxbridge-Pickering Townline and Sideline #30.

The Altona Mennonite Meeting House has graced the rural hamlet of Altona since 1852.

It is surrounded by the only cemetery in the community, which houses graves of pioneers who settled in the area in the early 1800s.
