Edmunds Home Improvements specializes in roofing, windows and siding

If your roof is 15 years old or more, it will be nearing the time for replacement. Edmunds has been providing free estimates and roof assessments in the community for over 50 years.

A lot of interior expense can be avoided by dealing with a roof before it starts to leak. If you do require a new roof, Steve Gibson, co-owner of Edmunds Home Improvements recommends a local manufacturer, CRC, which offers a wide range of asphalt shingles designed specifically for the Canadian climate.

"Asphalt shingles come in a wide variety of colours and architectural styles, with warranties generally ranging from 20-35 years," says Steve.

There is still plenty of time to book your appointment to replace your roof before winter. If you prefer, Edmunds will assess the current condition of your roof and provide a free written estimate with pricing guaranteed until April 30, 2005.

company has been in business so long that it has replaced second and third roofs for the same family.

Steve has over 25 years experience in the roofing and construction business. He performs many of the in-home estimates himself. Kathryn works at the company's head office and showroom, answering phones, scheduling appointments and dealing with the day-to-day administration of the company.

Whether it's roofing, windows or any other home maintenance requirements, Edmunds Home Improvements takes a lot of pride in providing excellent workmanship and reliable service.

If your windows are old and inefficient, you may consider replacing them. In recent years, many of Steve's customers have discovered the benefits of installing energy-efficient (low e and argon) windows. Vinyl windows are available in a variety of colours and can be quickly installed by our qualified installers.

Steve and Kathryn Gibson took over the business in 1989. During the past 15 years, Steve and Kathryn have expanded Edmunds Home Improvements to include soffits, fascia, eavestroughs, vinyl siding, replacement vinyl windows, as well as entrance and patio doors.

You can view and operate the windows, as well as doors, at Edmunds new showroom, located at 166 Bullock Drive, Unit 1, in Markham. For further details, or a free estimate on any of your roofing, window or siding needs, contact Steve or Kathryn today, at (905) 472-0276.

"We take a great deal of pride in the quality of our work," says Kathryn. "We have a full-trained staff that works on homes in all price ranges, and we always work to budget," the
