

Schools, corporations help set Terry Fox record

Terry Fox would have been proud.

More than 760 people took to the streets in Stouffville for the Terry Fox Run Sept. 19, bringing in just over \$55,000. That means Stouffville has raised more than \$500,000 for cancer research and patient support over the past 23 years. Last year the run raised almost as much, \$54,708. Seventy people volunteered before and during this year's run.

More corporations took up the challenge this year, including Anderson Haulage, Grey Power Insurance, Tim Hortons, Schell Lumber, Town of Whitchurch-Stouffville, the Whitchurch-Stouffville Library, Stouffville Dance Centre, A & P, Tree O Marketing Inc. and Industrial Roofing.

In addition, several schools throughout Stouffville held their own Terry Fox Runs last week. Money raised by schools and other events are in addition to the \$500,000 raised at the Terry Fox runs.

Students from Glad Park, Summitview and

Our Town

with Hannelore Volpe

Orchard Park public schools ran around gyms, school yards and neighbourhoods.

Close to 600 students from Glad Park Public School ran, jogged and walked along local streets last Friday to raise \$9,000. Orchard Park Public School's 310 students raised close to \$3,000 this year, bringing the total the school has raised over the past eight years to their goal of \$25,000. At Summitview Public School, the run raised just under \$200 to help fight cancer. St. Brigid's Catholic School will hold its run shortly.

Sandy Schell Kennedy, the Terry Fox run organizer for Stouffville, called local school support "phenomenal".

A car wash by the Stouffville Spirit Junior A hockey team brought in another \$1,200.

Organizations who want to be involved in next year's Terry Fox Run can call 905-640-6884.
