Judy's Italian Pizzeria

There's something special about the pizza at Judy's Italian Pizzeria in Markham.

Customers who try this great pizza often comment that it's the best pizza they've ever had! For over 25 years Frank and Maria Rossi have been perfecting their masterpiece-the perfect pizza made from the best ingredients!

Judy's Pizzeria offers the kind of quality only available from a small, family owned and run business. In fact, Judy's Pizzeria offers the mouth-watering delights of Italy right here in Markham with their delicious pizzas, pastas and hot sandwiches.

If it's Italian, you'll find it at Judy's Pizzeria, lasagna, cannelloni, fettucine, gnocchi, ravioli, and classic spaghetti. In addition, Judy's offers a wide assortment of menu items including veal on a bun, panzerottis, chicken sandwiches and salads, all served hot and available for both delivery or pick-up.

What's the secret to the delicious pizza?

Frank and Maria create pizza the old fashioned way... from scratch! All dough is made on site, and stretched by hand. In addition, Frank and Maria personally make all the spices themselves.

"When people try our pizza for the first time, they are always surprised by the delicious taste and incredible quality of our product," explained Frank. "After that, they always come back!"

Another secret to this one-of-a-kind of pizza is that only the absolute freshest ingredients are used. In fact, every week Frank journeys to the Toronto Food Terminal to personally hand pick the highest quality vegetables. His keen eye has been developed over the countless years of perfecting his recipe within the walls of a traditional Italian kitchen, and his expertise is unrivaled.

"Ingredients must be the best quality available to be used in our products," said

Frank. "It's not just the pizzas, but all our home-made pastas."

Competitors have been trying for years to duplicate the taste of the pizza at Judy's Italian Pizzeria without success. There's another unique quality of the pizza, and that's the size. A small pizza is a filling 12 inches, while a medium is 14 inches, and a large is 16 inches. A party-size is available at 18 inches, and finally, the jumbo size is 15 by 21 inches! That's a lot of pizza...

All pizza is also available in thick or thin crust.

"We spread our toppings completely over the pizza so customers receive the most for their money," explained Frank. "Our competitors often leave bare crust around the perimeter."

Looking for great food to cater that special event? Frank and Maria will personally cater for up to 100 people, or deliver trays of food to central and northern Markham and Unionville.
