# The Comforts of a Home Care Career

With almost 100 years of experience and a complement of more than 2,700 employees, Saint Elizabeth Health Care is accredited by the CCHA and is recognized as one of Canada's most innovative health care organizations. A pioneering organization known for innovation, creativity and responsiveness in community health care, we have an exciting and rewarding career opportunity for a:

## Nurse Manager

### York Region (Based in Markham) - Full-time

As a Nurse Manager, you will join our management team in providing support to our health care programs in York Region. This key management role is responsible for recruiting, supervising, educating and evaluating health care staff, as well as ensuring the efficient and effective delivery of quality service to clients. You will also provide direction to administrative operations, including service coordination and scheduling support. The successful candidate will have an RN diploma (degree preferred) and ideally experience in community nursing. Demonstrated communication (oral/written) and leadership skills are required, and supervisory experience in a health care organization is preferred. On-call responsibilities and some travel will be required.
