aesthetic light centre

8312 McCowan Rd. Suite 206 Markham, ON 905.948.9096

laser hair removal photorejuvenation eliminate sunspots, spider veins, age spots and rosacea FREE CONSULTATION AND TEST PATCH

## The Aesthetic Light Centre:

Tired of the hassle and pain with shaving or waxing? Embarrassed by unwanted hair. Would you like to reveal a more youthful you? Laser treatments are more affordable than you may think.

The Aesthetic Light Centre uses the latest technology to help you overcome hair and skin problems. Located in Markham within a prominent wellness clinic, the Aesthetic Light Centre can help you:

- Eliminate unwanted hair
- Look younger by decreasing age and sun spots
- Eliminate spider veins and other blemishes
- Eliminate redness caused by rosacea

The Aesthetic Light Centre uses the Palomar Estelux Intense Pulsed Light System, which is the latest technology in permanent hair reduction and is able to address a wide range of skin imperfections. This system provides a fast effective treatment with minimal discomfort and recovery time. Treatment at the Aesthetic Light Centre is affordable.

Our prices are competitive with other centers in the GTA. A complimentary evaluation and test patch is performed by Tracy Donald who is a certified intense pulsed light technician and holds a diploma in electrolysis. This evaluation will determine whether you are a candidate for this type of treatment.

"This is the best time to receive treatment for hair removal," explains

Tracy. "When you're undergoing laser treatment, sun exposure must be avoided. If you want to prepare yourself for a vacation during Christmas or even March break, take advantage of the specials that we have for the fall and winter."

"All treatments are quick and painless," Tracy added. "Most patients describe the light pulses as a snapping sensation, which causes mild discomfort at most. After the treatments, there may be some redness for a few days, but that quickly fades and the patient can enjoy the effects of smooth and clear skin."

"I am fortunate to be in a position which enables me to provide clients with renewed self confidence by enhancing the beauty within."

Call today and take advantage of fall specials!

To book your free consultation and test patch call Tracy at the Aesthetic Light Centre, 8312 McCowan Road, Suite 206, Markham, Ontario at 905-948-9096
