CRUISE HOLIDAYS
 Cruise Holidays of Richmond Hill is part of one of North America's oldest and largest network of cruise travel specialty stores. We sell only cruises, and that means we know the industry inside and out. While the full-service travel agent may have limited knowledge of your cruise options, we know just where to find the cruise that's right for you - every time.
 We offer "guidance without guesswork". We have extensive experience with cruise vacations around the world. We've been there, and there, and over there too. Cruise Holidays of Richmond Hill's owner Veronica Trainor and her staff have over 20 years combined personal experience in the cruise travel business.
 "Cruising is the only way to travel! On a cruise you don't have to pack and unpack to visit a variety of islands, ports and places. Just settle into a comfortable stateroom, while your "resort" moves from place to place. And you won't miss a minute of your vacation while you are traveling between destinations. With every thing you can do on the ship, half the fun is getting there. With a multitude of cruise lines, ships, itineraries, dates and rates to choose from, selecting the right cruise is no simple task. To find the cruise you're looking for, it takes someone who knows where to look.
 Year after year, cruises rate higher in customer satisfaction than any other type of vacation. It's no wonder that cruising enjoys an exceptionally high level of repeat passengers, as well as the fastest growth rate of any vacation category. Cruise vacations are all we do, and we love it. There is nothing about cruises that we don't understand thoroughly and deal with daily. We offer excellent cruise values. Our high volume and special cruise line alliances help to bring you the finest vacations at the greatest values.
 We realize that each person and vacation is unique from all others. We will focus on what you individually need to make your vacation getaway a perfect dream. We specialize in group cruise travel, be it a wedding at sea, family reunion, charity fundraiser or large corporate convention, we have the expertise to make it a success.
 We are striving to be the best cruise vacation specialists.
 Cruise Holidays of Richmond Hill is a name you can count on. You'll receive the personal service of a local expert with a world of knowledge and experience. We will listen carefully to your needs and then find you a cruise you'll love - at a price you'll appreciate. There are a lot of 800 numbers and Internet sites you can contact for a deal. But if you don't want to trust your vacation to the unknown, call us your local cruise experts.
