Earn Great Money Working a Fixed 40 Hour Week (with NO Cold Calling) on the Craig Proctor Team

The Unique Benefits of This Position Include:

- **Guaranteed Salary PLUS Commission**
- **Fixed 40 Hour Work Week**
- **ALL Warm Leads Supplied (Your job is to follow up prospects who have called Craig's office - NO Cold Calling)**
- **Training provided by Internationally renowned agent (#1 in GTA, #1 in Canada, #3 Worldwide)**

In the words of one of my Team members who works in this position:

"I honestly loved real estate when I first started in the business sixteen years ago. I always told myself I'd quit when I stopped loving it. Well, that happened about six years ago for me. I realized it was time to stop. It got to the point where I really resented being at the beck and call of every client's whims - people who felt it was their right to intrude and pull me away from my family day or night just because it was convenient for them to see a house at that time. What really killed it for me, however, was adding up how little was really left after all the bills were paid. It just didn't seem worth it anymore and I decided to leave the business for good, but Craig approached me with a deal that I found too good to pass up."

"This position is honestly perfect for me. I work about 50% less hours than I used to, and I make more money doing it - I KEEP more in my pocket. I have more control over my life, and I like what I'm doing much, much better." - Carol Theill, Craig Proctor Team
