

**Youth charged after another stabbed**

A 14-year-old Markham youth has been arrested after another teenager was stabbed several times in a park Wednesday.

Responding to an assault call, York Regional Police questioned a 14-year-old youth, who claimed to have been stabbed by another 14-year-old at a nearby park.

The two had fought over property, police said. But it turned out the other boy had been stabbed several times. Officers found him in hospital being treated for his wounds.

Police charged the youth with aggravated assault.

**Store owner robbed at gunpoint**

A Richmond Hill convenience store was held up at gunpoint Thursday night.

An armed man walked into Honey Bee Convenience on Yonge Street around 10:15 p.m., just as the store was closing.

The bandit approached the owner, a 55-year-old Richmond Hill man, and demanded cash.

After hopping the counter and helping himself to money from the till, he fled through the front door.

He was wearing dark pants, a blue ski jacket, black and white running shoes, white cotton gloves and a dark toque.
