COMMUNITY SEARCH CONFERENCE

Memorial and Bethesda Park Master Plans Public Consultation

When: Monday, January 31, 2005, 6:45 PM - 10:00 PM
Where: East Ridge Evangelical Missionary Church (12485 Tenth Line, just south of the Stouffville County Market)

In October, 2004, the Town of Whitchurch-Stouffville initiated a planning process that will result in Master Plans being prepared for Memorial and Bethesda Parks. The plan for Memorial Park will account for the extension of Park Drive through the site and the retirement of the water pollution control plant scheduled in the next few years. Bethesda Park is an undeveloped property within the Oak Ridges Moraine. The Park comprises 20.6 hectares (51 acres) of land and is located east of Ninth Line on the south side of the Bethesda Side Road and is bordered on the west side by the Stouffville Creek.

Both plans are to create new and enhance existing linkages to adjacent and nearby parks, and, in the case of Memorial Park, linkages to the downtown core of Stouffville. Each plan will involve an assessment of opportunities and constraints, traffic analysis, a review of options and the development of a preferred Master Plan. The plans will include costing, timing, phasing and illustrations of key features. For Memorial Park, an analysis of some of the existing facilities will also be completed.

Consulting and communicating with interested parties and the community are crucial to the preparation of these plans. Specific interest groups, community groups and agency representatives, municipal staff, Town Council, and other community leaders have been invited to this evening to ensure a cross-section of the community is represented. We invite you to attend this session to provide input on both sites currently under review, however, space is limited to a first-come basis. Since delegates will be assigned to small round table discussion groups, we would like to know in advance who is attending. If you are interested, please register with the Leisure Services Department by January 25th, 2005. See below for contact information.
