

**\$65,000 rings stolen**

Two rings, valued at \$65,000 each, were stolen Friday from a jewelry store in Milliken's Pacific Mall.

York Regional Police are seeking three men in connection with the theft at Luk Fook Jewellery at 4300 Steeles Ave. E.

They entered the store and started browsing, police spokesperson Kathleen Griffin said.

"They asked to look at some rings. When the complainant opened the display case, two rings were taken and the suspects fled," Ms Griffin said.

The men are described as Asian, between 17 and 20 years old. The first has a skinny build and wore a black jacket and a dark hat. The second is short with a skinny build and wore a black jacket and a black baseball cap. The third wore jeans and a black T-shirt.

**Cops seek two pairs of robbers**

A handful of gas station robberies has police pointing at two pairs of possible suspects.

York Regional Police said Thursday it is now looking at a second set of suspects for at least five gas station robberies in Vaughan.

A woman was robbed at gunpoint at an Esso station on Keele Street Thursday around 1 a.m.

Cash, cigarettes and lottery tickets were taken.

Both suspects are described as white males five feet, six inches tall, with thin builds. One had a Russian or Ukrainian accent. They were driving a red four-door Pontiac Sunfire.

Suspects fitting the same description are also wanted in connection with gas station robberies in Vaughan Dec. 7, two on Dec. 11 and another Oct. 31.
