DART - In loving memory of Roy (January 15, 1974) and Betty (January 23, 2001)

I read of a man who stood to speak At the funeral of a friend, He referred to the dates on her tombstone, From the beginning ... to the end. He noted that first came her date of birth, And spoke the following date with tears, But he said what mattered most of all Was the dash between the years (1915-1974 & 1920-2001)

For the dash represents all the time That she spent alive on earth, And now only those who loved her Know what that little line is worth.

For it matters not how much we own, The cars, the house, the cash, What matters is how we live and love And how we spend our dash.

So think about this long and hard, Are there things you'd like to change? For you never know how much time is left, That can still be rearranged. If we could just slow down enough, To consider what's true and real, And always try to understand, The way other people feel.

And be less quick to anger, And show appreciation more, And love the people in our lives, Like we've never loved before.

If we treat each other with respect, And more often wear a smile, Remembering that this special dash, Might only last a little while.

So when your eulogy's read, With your life's actions to rehash... Would you be proud of the things they say About how you spent your dash?

Forever missed, John, Blanche, Jackie and

Personal Prayer To The Holy Spirit

Holy Spirit Thou make me see everything and show me the way to reach my ideal. You who give the divine gift to forgive and forget the wrong that is done to me and who are in all instances of my life with me. I, in this short dialogue, want to thank You for everything and confirm once more that I never want to be separated from You no matter how great the material desire may be. I want to be with You and my loved ones in Your perpetual glory. Amen. Person must pray this 3 consecutive days without stating one's wish. After the 3rd day your wish will be granted no matter how difficult it may be. Promise to publish this as soon as your favor has been granted. P.W.
