## Tell us about your special valentine

With Valentine's Day coming up, one of our reporters is writing an article about couples and relationships. She is specifically looking at the topic of chemistry. Has the chemistry in your relationship waned, grown, stayed the same? If you are willing to talk about this topic, please call reporter Simone Joseph at 905-294-2200, ext. 3326 or e-mail [sjoseph@yrng.com](mailto:sjoseph@yrng.com)
